JOURNAL
OF THE
PROCEEDINGS OF THE CONVENTION, 1892.

S. BARNABAS' CHURCH, GREENSBORO, N. C.,
Wednesday, May 18, 1892.

The Seventy-sixth Annual Convention of the Diocese of North Carolina assembled in S. Barnabas' Church, Greensboro, at 10 o'clock A. M., on Wednesday, the 18th day of May, A. D. 1892.

The Rt. Rev. the Bishop of the Diocese called the Convention to order and offered prayers.

The Secretary of the last Convention called the roll of the Clergy and Lay Delegates entitled to seats.

A quorum of both Orders being found present, the Bishop declared the Convention duly organized.

The Convention then adjourned to attend Divine Service at 11 o'clock.

Morning Prayer was said by the Rev. Messrs. S. B. Rathbun and James A. Weston. The Bishop proceeded to the celebration of the Holy Communion, in which he was assisted by the Rev. Alfred H. Stubbs, the Rev. Jarvis Buxton, D.D., and others. The sermon was preached by the Rev. Julian E. Ingle, from the text, S. Matt. 20:6: "Why stand ye here all the day idle."

The offerings of the congregation were appropriated to the Missions of the Diocese.

At the conclusion of Divine Service, the Bishop of the Diocese took the chair and announced the first business to be the election of a President of the Convention. The Rev. M. M. Marshall, D.D., was nominated as President. There being no other nomination, the Secretary was

instructed to cast for him the vote of the Convention, and he was declared elected.

The Rev. Julian E. Ingle was nominated as Secretary. There being no other nomination, the Rt. Rev. Chairman was, on motion, requested to cast the vote of the Convention for him and he was declared elected.

On motion of Mr. John Wilkes, it was

Resolved, That the daily sessions of the Convention begin at 9:30 o'clock A. M., and at 4 P. M.

On motion, the Convention took a recess until 4 o'clock P. M.

WEDNESDAY, May 18, 4 P. M.

The Convention was called to order by the Bishop.

The Secretary announced the appointment of Mr. G. C. Lamb as Assistant Secretary.

On motion of the Rev. Dr. Murdoch, the Board of Fellows of Ravenscroft was discharged from the further consideration of the matters pertaining to the reimbursement of the Rev. Dr. Buel for certain sums expended in the completion of Schoenberger Hall, in order to make way for a more speedy settlement of the same.

Mr. Wilkes moved the appointment of a committee of five, with the Bishop as chairman of the same, to report to the Convention a plan for the equitable settlement of the matter.

Mr. C. E. Johnson offered as a substitute for this motion, a resolution to refer the matter again to the Board of Fellows of Ravenscroft, with power to act in their discretion.

The substitute was rejected and the motion of Mr. Wilkes was carried.

The Bishop appointed as the committee called for, the

Rev. Drs. Buxton and Murgoch, and Messrs. John Wilkes, J. B. Stickney and C. E. Johnson.

Mr. Chas. E. Johnson presented his annual report as Treasurer of the Diocese. (See Appendix C.)

The reading of the report was dispensed with and it was, on motion, referred to the Committee on Finance.

The Rev. R. B. Sutton, D.D., presented the following

REPORT OF THE COMMITTEE ON FINANCE.

The Finance Committee beg leave to report that they have examined the several accounts of the Treasurer and find them all correct, and that the several balances named on page 3 of Appendix C, are on deposit in the Citizens National Bank of Raleigh. The resolution appended to the report was, on motion,

adopted. [The schedule will be found in Appendix B—II, Journal 1891].

On motion, the Convention proceeded to the election of a Treasurer for the Diocese. Mr. Chas. E. Johnson was nominated. There being no other nomination, the Secretary was instructed to cast the ballot of the Convention, and Mr. Johnson was declared elected.

The Rev. Dr. Marshall presented to the Convention a handsome gavel, the gift of Mr. Charles E. Johnson. A motion to accept the gift was made and by a rising vote adopted.

REPORT OF THE CHURCH BUILDING COMMITTEE.

The Church Building Committee beg leave to report that the balance in the Treasurer's hands to their credit April 1st, 1891,

Balance on hand April 1st, 1892 -----	\$ 36 16

Since the Treasurer closed his report, the Committee, at the request of the Bishop, have appropriated the balance, \$36.16, to St. Philip's Church, Germanton.

So we begin the year with no balance.

When we look at the statement of the Treasurer and find that only ten congregations contributed to this fund, and about eighty gave nothing, we may well ask, do our people know there is such a fund, and that the Canon requires an annual collection? We do not think that we overestimate the importance of the work entrusted to us, when we say that this Committee is the right hand of the Executive Missionary Committee.

May we not, then, beg your prayers and your alms for this important work?

Respectfully submitted for the Committee by

ROBT B. SUTTON,
Vice-Chairman.

The Rev. Jas. A. Weston proposed that the Convention should proceed at once to the election of Deputies to the General Convention.

The Rev. Dr. Sutton moved to amend by making such election the order of the day for Thursday morning immediately after the reading of the Bishop's annual address.

The amendment was adopted, and the resolution, as amended, was agreed to.

Dr. Kemp P. Battle, on behalf of the Commissioners of the Mary R. Smith property, asked an extension of time for the sale of certain tracts of land. The request was, on motion, granted.

The Rev. Dr. Cheshire read a telegram from the Council of the Diocese of East Carolina, announcing the nomination of the Rev. James Carmichael, D. D., and Mr. J. Fairfax Payne, as Trustees, on the part of that Diocese, of the Thompson Orphanage, in the place of the Rev. Robt. Strange and Mr. Graham Daves, withdrawn.

The Secretary was requested to cast the ballot of the Convention for the gentlemen named, and they were declared elected.

The Rev. Dr. Cheshire, Jr., then moved the election of the Rev. W. R. Wetmore and Mr. W. A. Smith to serve as Trustees of the Thompson Orphanage until 1898. The

Secretary was instructed to cast the ballot of the Convention, and these gentlemen were declared elected.

The Secretary was, on motion, instructed to telegraph to the Council of the Diocese of East Carolina, in session at Elizabeth City, the election of the Trustees nominated by them.

The Bishop announced the appointment of the regular committees, as follows:

The Rev. A. B. Hunter presented the following report from the Committee appointed by the last Convention to provide for a due celebration of the 50th Anniversary of the Bishop's ordination to the Priesthood.

The Committee appointed at the last Convention to report an order of service for the celebration of the 50th Anniversary of Bishop Lyman's

ordination to the Priesthood, beg to report that services were held in Raleigh on the 19th and 20th of December, 1891. On Saturday, the 19th, the Bishop celebrated the Holy Communion in the Church of the Good Shepherd and delivered an address, which has since been published by this Committee. On this occasion, also, a Pastoral Staff was presented to the Bishop by Clergy and Laity of the Diocese. On the night of Sunday, Dec. 20th, services were held in Christ Church and congratulatory addresses were made. The Committee regret that the funds at their disposal did not permit them to publish all the excellent addresses of this happy occasion.

A. B. HUNTER,
BENNETT SMEDES,
JOS. B. BATCHELOR,
F. P. HAYWOOD, JR.

The Rev. Mr. Hunter also presented a statement in regard to S. Augustine's School at Raleigh, which, at his request, was, referred to the Committee on the State of the Church. [See Appendix B].

Mr. Wm. A. Smith presented the reports of the Board of Managers and the Superintendent of the Thompson Orphanage and Training Institution, as follows:

REPORT OF THE MANAGERS OF THE THOMPSON ORPHAN- AGE AND TRAINING INSTITUTION.

The Board of Managers of the Thompson Orphanage and Training Institution, respectfully submit the following report:

The Orphanage and Institute is located in the eastern suburbs of Charlotte, just outside the city limits and embraces 72 acres of fine farming lands, 35 acres being in a state of high fertility, being well adapted to and set in clover, grasses, cotton, cereals and pasturage, and on which is situate the main building of the Orphanage, Bronson Hall, kitchen, barn and other outhouses. During the past year there has been added a beautiful and churchly chapel, complete in its furnishings, the memorial gift of Judge W. F. Bynum, and a laundry, the joint gift of some laymen, all of which is covered by two deeds, conveying the title of this valuable property to the Diocese, which said deeds accompany and are made a part of this report.

The Orphanage and Institute are under the efficient superintendency of the Rev. E. A. Osborne, assisted by the matrons, Mrs. Mackey and Mrs. Prentiss, and a teacher, Miss Flanning.

The farm is under the direction of Mr. Jamison, and the work thereon done in the main by the boys of the Institution.

The Board endorses the business management, showing good returns from the outlay on the farm, and economical administration of the Church's gifts. They were pleased to observe and note the love and respect of the children for their guardians, their prompt obedience to rules of order and cleanliness, and their evident pleasure in and desire for service in their beautiful chapel.

Inquiry into the modes of punishment resorted to in enforcing proper discipline, revealed the mild persuasives used, and we cordially commend the same, which have proved so effective in making the Orphanage a family under Christian family government; winning cheerful, prompt obedience by love, kindness and respect.

The whole number of children received to this date, 82; received during the past year, 16; the number discharged, 13; the number died, 1, and we gratefully add that this is the only death since the opening of the institution, and was caused by an accident.

The report of the Superintendent shows the amount of receipts and disbursements during the year, as follows:

Received from all sources	\$ 3,385 72
Received and not formerly reported	44 70
Products of farm sold	517 01
Products of farm consumed	300 00
Balance from last year	706 49
	\$ 4,953 92

PER CONTRA.

Amount expended	\$ 3,613 78
Farm products consumed	300 00
Paid for laundry	325 00
Balance on hand	715 14
	\$ 4,953 92

The number of orphans now in the institution is fifty, and the buildings are crowded, and many applicants are necessarily rejected.

To come near the measure of our duty in providing for the orphans, we are compelled to enlarge the buildings, and this means enlarged contributions; and we call the attention of the Diocese to the needs of this, their favorite charity, and trust that generous laymen and women will remember the Orphanage when making distribution of their God-given wealth.

W. A. SMITH,

For the Board of Managers.

[For deeds conveying the property to the Trustees of the Diocese, see Appendix D.]

REPORT OF THE SUPERINTENDENT OF THE THOMPSON ORPHANAGE
AND TRAINING INSTITUTION.

In submitting this my Sixth Annual Report, I can but feel that we have passed an important crisis in the history of this Institution.

The Orphanage is no longer an experiment. It has become a permanent and prominent feature of the work of the church in the State of North Carolina.

Notwithstanding the great stringency of the times in money matters, our contributions have been about as large during the past year as usual. Everything seems to indicate unabated interest and confidence on the part of our people.

Our farming operations, though not so profitable as last year, have, upon the whole, been satisfactory, and have contributed in a very important measure to the support of the Institution.

The children generally have made satisfactory progress in their education and training. We have been blessed with good health.

Sixteen children have been received into the Orphanage during the year, thirteen discharged, and one died from an accident. Our present number is fifty, sixteen of whom are from the Diocese of East Carolina. The whole number received up to this time has been eighty-two.

We have added an extension to the brick building known as Thompson Hall. It is to be used as a laundry, the funds for which were contributed by a few generous laymen. Though not completed nor fully furnished for lack of funds, we are using it as a wash-room, with great benefit and assistance to the girls in their work.

The upper story of this apartment has been fitted up and furnished as a bedroom, and is a great help in that line. Our Chapel has been completed. It is a substantial brick structure, and was given by the Hon. W. P. Bynum, as a memorial to his wife and daughter, the late Mrs. Eliza Bynum, and Miss Mary Shipp Bynum,

We are greatly in need of more dormitory room, a sewing-room, infirmary and matrons' rooms at Thompson Hall. These could be provided at a cost of from two to three thousand dollars by adding a story to the main building, the roof of which begins to need repairs, and will probably have to be replaced by a new one in the course of a year.

We also need a play-room, and more sleeping room for the children at Bronson Hall. These could be added by building an L to the present house, at a cost of about six hundred dollars, and this is a most urgent need. An Industrial Hall for the boys is also very much needed. Six hundred dollars will enable us to do the work.

A residence for the foreman of the farm is also a great want, and should be supplied if possible, as the place where he now lives is a very objectionable and uncomfortable one. This would cost about six hundred dollars.

The following is a list of contributions received during the year:

E. A. OSBORNE, *Superintendent*.

On motion of Mr. S. S. Nash, a committee was appointed to arrange a service for this evening. The President appointed as members of this Committee, the Rev. A. H. Stubbs, Mr. W. A. Smith, and Mr. S. S. Nash.

The Rev. J. B. Cheshire, Jr., D.D., presented reports of the Woman's Auxiliary, the Good Samaritan Hospital, Charlotte, and S. Peter's Home and Hospital, Charlotte, which, at his request, were referred to the Committee on the State of the Church. [See Appendix B].

Mr. R. H. Battle read the following

REPORT OF THE TRUSTEES OF THE DIOCESE.

The Trustees to hold property for the Diocese of North Carolina, respectfully report, that since their report to the Annual Convention of 1891, the following deeds for real property have been received by them:

1. Deed from Elizabeth B. Lewis and Richard H. Lewis, for lot of land, 50 by 110 feet, in Nash County, near the Rocky Mount Mills. Date, Dec. 17th, 1890.
2. Deed from Benjamin C. Carlisle and wife for lot of land at Tarboro, near the town line, for the use and benefit of the congregation of colored people in Tarboro, 50 by 75 feet. Date, June 18th, 1891.
3. Deed from John C. Palmer and M. C. Y. Palmer his wife, for two acres in Centre Township, Chatham County, as a cemetery for St. James' Mission at Pittsboro. Date, Sept. 26th, 1891.
4. Deed from John M. Galloway and wife, Trustees under deed from J. M. Vaughan and wife, for half acre lot of land in Madison, Rockingham County. Date, October 27th, 1891.
5. Deed from George Howard and wife, for lot in Old Sparta, Edgecombe County, 70 by 130 feet. Date, March 18th, 1892.
6. Deed from H. Walters, for lot in town of Hobgood, Halifax County, 60 by 140 feet. Date, March 19th, 1892.

There will be found in the Treasurer's Report, page 17 *et seq.*, a statement of the several funds in the hands of the Trustees, to-wit, the *Ravenscroft Fund*, the *Hicks Fund*, and the *Mary Smith Fund*, showing the receipts and disbursements and a list of securities of each; and reference is made to that as part of this report. It is thought that having this statement appended to the Treasurer's report will be found more convenient, for reference, than to have it appear as an appendix to the report of the Trustees.

Application has recently been made to the Trustees to execute notes and a mortgage on the Church property at High Point for a loan of one thousand dollars to pay a debt contracted for building the Church. While the power to *mortgage* is probably embraced in the power to *convey*, conferred by our Canon XI. Chapter 1, and the power to mortgage is expressly given to Trustees of Religious Societies, under certain circumstances, by chapter 448 of the laws of the State, passed by the General Assembly of 1889, it seems to be a matter for the discretion of the Trustees as to whether they will comply with such application, even when the terms of our Canon and the act of Assembly are complied with.

In cases of applications by vestries of organized Parishes, the Trustees would generally deem it to be their duty to comply; but when the application comes from a Mission Station, they think they ought to exercise the power with some caution, and that the application should proceed, when practicable, from such an organization as is provided for in section 2, Canon 1, Chap. III. The Trustees also think that when a mortgage by them is to be executed, the note or notes to be secured should be executed by the local authorities interested, and the mortgage only be given by the Trustees as collateral. If notes were given by them, without special and unusual conditions, it could be insisted by the holders that the property of the Diocese generally was bound, as well as the particular property mortgaged.

Attention is called to this case now under consideration by the Trustees, that they may be instructed in the premises, if the Convention shall see proper to give them instructions, and to call the attention of Parishes and Missions which may hereafter find it necessary to mortgage or convey their property vested in the Trustees of the Diocese, to the legislation of the Church and the State on the subject, in order that there may be a compliance with such legislation, when the application to mortgage or to convey is made. It is hoped and expected that no such application will be made when it is possible, in justice to the Church or to those who may be its creditors in the Parish or Mission concerned, to avoid it.

Respectfully submitted,

T. B. LYMAN,
CHAS. E. JOHNSON,
R. H. BATTLE,

Trustees, &c.

The Committee to which was referred the matter of the balance due the Rev. Dr. Buel on account of expenses incurred in building Shoenberger Hall, respectfully report:

That, although we are of opinion that the Rev. Dr. Buel has no legal claim for funds advanced for the completion of Shoenberger Hall, yet we are persuaded that he did expend \$2,500 of his own money on the Hall in his great desire and zeal to promote the welfare of the Divinity School, and therefore we recommend the passage of the following resolutions:

1st. That Dr. Buel be paid the sum of \$2,500, with interest at eight per cent. from the date of last Convention.

2d. That the Trustees of the Diocese be authorized to sell enough lots off the Ravenscroft property to pay the said amount when, in their judgment, a proper value for such property can be obtained.

For the Committee.

The Rev. Dr. Cheshire offered as a substitute the following resolutions:

Resolved, That the Fellows of Ravenscroft be directed to elect the Rev. Dr. Buel Professor Emeritus of the Ravenscroft Associate Mission and Training School for the term of his natural life, and that, in consideration of his advanced age and physical infirmity, he be relieved of all labor and duty.

Resolved, That the Fellows of Ravenscroft be directed to pay to the Rev. Dr. Buel out of the funds of Ravenscroft the sum of four hundred dollars each year during the term of his natural life, in lieu of any claim for money expended by him upon the Shoenberger building.

Resolved, That the Treasurer of the Diocese be authorized to repay to Bishop Lyman the interest heretofore paid by him to Dr. Buel.

Mr. Richard H. Battle offered, in lieu of all measures before the Convention in regard to the claim of the Rev. Dr. Buel, the following resolution, which was adopted:

Buel for \$2,500 for moneys paid by him from his private funds in the building of Shoenberger Hall be referred to a committee of three to investigate and report what is due him to the Trustees of the Diocese, and that the Trustees be authorized to pay what shall be found due (not to exceed \$2,500 and interest) out of the income from the Ravenscroft Funds, or, if necessary, by a sale of part of the Ravenscroft property at Asheville.

The substitute offered by the Rev. J. B. Cheshire, Jr., D. D., for the resolutions offered by the Fellows of Ravenscroft, were, on motion, referred to the same committee.

Resolved, That in the death of Dr. Smith the church has lost one of its most faithful and valued members, highly esteemed for the conscien-

tious and loving discharge of all duties pertaining to his long ministry of more than fifty years. He was a man of great simplicity of character and godly sincerity. For many years before entering this Diocese he was at the head of successful educational institutions for young ladies in the Dioceses of Alabama and Virginia, and the gentleness and loveliness of his character attracted to him the youth and children of families wherever he went.

The Rev. Dr. Cheshire made the following report from the Committee on Canons:

REPORT OF THE COMMITTEE ON CANONS.

The Committee wish to make a partial report upon the matters committed to them.

In regard to the resolution referring the Form of Parochial Report to this Committee, and suggesting a change of date of the Parochial Reports, the Committee do not think it desirable to recommend any change of the date at which the Parochial Reports shall close; and as to the other matters affecting the Form of Parochial Report, they will make a further report to the next Convention.

The Rev. Chas. J. Wingate presented the following

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH.

The Committee on the State of the Church beg leave to report that they are unable to present as full a description of the condition of the Diocese as it had been their desire to prepare. They have been prevented from performing their work satisfactorily to themselves because about twenty-five Parochial Reports are missing. We would emphasize this matter, and therefore call the attention of the clergy to the fact that the excellent provision made by the Convention two years since as to the time when these reports should be sent to the Secretary has been practically ignored by many of the clergy. The Secretary, notwithstanding his zeal and promptness in this matter, has been unable to do more than prepare a very incomplete table of statistics for the use of the Committee.

From this table, however, we have obtained one item that is really very encouraging. The total of contributions, there reported, is \$45,519.86, only a few hundred dollars less than the amount reported for the last preceding year. We believe that when full returns have been made the total will exceed, rather than fall short of, this former sum.

From the Report of the Archdeacon of the Colored Work, we learn that the value of church property in that department amounts to \$20,130, being an increase of \$1,555 during the last year. We note also an increase in the number of communicants, thirty-eight having been added to the list. If this be really the day of small things in th s province of

Christian effort, we believe that God's blessing will yet develop it, so that we shall see results commensurate with our faith in Him and our fidelity to this holy trust which has been committed to our care.

As you have been already informed, the report of the Treasurer of the Diocese shows a credit balance in every account in his hands.

The Woman's Auxiliary has added to its list of members, and has almost doubled the amount of its contributions. But these figures, however gratifying, do not sum up the good work done by this organization—its spiritual influence in cheering the hearts of the missionaries of the church cannot be determined by the rules of arithmetic nor expressed in the forms of human speech.

The Thompson Orphanage, possibly our noblest charity, continues its work of beneficence, but needs now, as it always must need, our most fervent prayers and our renewed and increasing help in a pecuniary way. God's blessing on the cheerful giver will be ours, if we come to the assistance of the orphan entrusted to our care and dependent on our sympathy.

We are glad to find that St. Peter's Hospital has been able to minister to a large number of inmates during the past year, and it may be well to add that only 5 per cent. of the number were members of the church.

Your Committee would urge upon you the importance of enlarging the ministry of the church by adding to it from among the young men native to the Diocese. We would suggest to the clergy that they might very well regard it a duty to present this matter to their people and ask that they pray unto God that He would make choice among their sons of some who shall serve Him at His sacred altar.

We are glad to learn that the Boys' School at Salisbury has been in operation since last September. This school is designed to provide an inexpensive but substantial course of instruction, and is a part of the work carried on by the Charlotte Convocation. The property is valued at \$6,000, one-half of which is still unpaid.

We congratulate the Diocese that, notwithstanding the impaired state of his health for a portion of the last year, our faithful and zealous Chief Pastor has been permitted to do what seems to us a very large amount of work in building up the Kingdom of God. We were grieved, however, to hear him say that he feared that it might be necessary for him to make less frequent visitations to some points in his field of labor. We trust and fervently pray that the Bounteous Giver of all good and perfect gifts will so bless him with bodily health that his anticipation in that respect may not be realized, and that he may have the strength to do all the desire of his heart, to the glory of God and the salvation of those over whom the Holy Ghost hath appointed him.

Respectfully submitted.

C. J. WINGATE, *Chairman.*

The Secretary read a telegraphic message of fraternal greeting from the Council of the Diocese of Virginia, assembled at Danville, to the Convention of the Diocese of North Carolina, and was instructed to send to the Council a suitable reply.

There being no other business before the Convention, it was

Resolved, That, after the usual devotions, the Convention adjourn *sine die*.

The "Gloria in Excelsis" was sung, and after prayers, and the Benediction given by the President, the Convention was declared adjourned.

THEODORE BENEDICT LYMAN,

Attest:

Bishop of North Carolina.

JULIAN E. INGLE,

Secretary of the Convention.

APPENDIX A.

ADDRESS OF THE BISHOP.

Dear Brethren of the Clergy and Laity:

Once more we are summoned to meet in annual Convention, that we may review the past and take counsel for the future.

Since our last meeting we have been called to mourn the loss of no less than four Bishops of our Church, viz.: Bishop Knight of Milwaukee, Bishop Boone of China, Bishop Galleher of Louisiana, and Bishop Bedell, the late Bishop of Ohio. All were zealous workers in the Master's vineyard, and have left behind them a record of marked activity and faithfulness in the discharge of their responsible duties. With the exception of Bishop Bedell, the Episcopate of each was comparatively a short one. It is an unusual occurrence that so many should be called away in less than a single year. May we all profit by the sacred lesson, that in "an hour when we think not, the Son of Man cometh." In our own Diocese, we have quite recently lost the most aged of any of our clergy, the Rev. Aristides S. Smith, D.D. He was well known and highly respected by us all. It was only within the last year or two that his health and vigor began to fail him. But he still struggled on amid serious bodily infirmities, and to the last seemed most unwilling to give up active work. The last time that I met him, only one week before his death, and when his eye-sight was becoming quite dim, I found him bending over his table, re-writing, in a bolder hand, a sermon which he hoped to preach. A more faithful worker I never knew,

and very few were better equipped for the work of the ministry in both classical and theological learning. He wrote in a very clear and instructive style, and many of his sermons were admirably suited for use as tracts for general circulation. Long will he be held in affectionate remembrance for his high and sterling qualities, and his many amiable and attractive characteristics.

During the past year I have been interrupted, at intervals, by impaired health in the discharge of public duties; but I am glad to say that I have been able to get through with a much longer schedule of appointments than, at one time, I thought it would be possible for me to undertake.

My first official act was in Trinity Church, Asheville, on the evening of Thursday, May 14th, when, after Evening Prayer, I confirmed thirteen persons and addressed them.

On the next day, in the same Parish, I confirmed, in private, a sick woman and her brother.

After the close of our Convention, I went the next day to Marion, where, on Whitsunday, May 17th, I consecrated St. John's Church, preached and administered the Holy Communion. The deed of donation and the sentence of consecration were both read by Rev. C. T. Bland. Rev. Dr. Buxton and Rev. J. W. Murphy were present and assisting in the services. The church is a very pretty one, and in excellent taste. Very much of the finer work was done by Mr. Bland, and it was his skill and energy and perseverance to which we are chiefly indebted for a building so attractive in itself, and so much needed.

Monday, May 18th, in Grace Church, Morganton, I admitted to the Priesthood, Rev. Charles L. Hoffman, Deacon, in charge of the Parish. He was presented by Rev. Dr. Buxton, who, with Rev. Walter J. Smith, united in the laying on of hands. I also preached and administered the Holy Communion, assisted in the services by

the clergy present. Left the same evening for Raleigh, arriving early Tuesday morning.

Proceeded in the afternoon to Pittsboro, and at 8 P. M., in St. James' Chapel, after Evening Prayer by Rev. Messrs. Walker and Bush, I preached, confirmed seven persons, and addressed them.

Wednesday, May 20th, in St. Bartholomew's Church, Pittsboro, after Evening Prayer by Messrs. Bush and Walker, I preached, confirmed four persons, and addressed them.

Trinity Sunday, May 24th, in the Church of the Holy Innocents, Henderson, after Morning Prayer by Rev. Messrs. A. B. Hunter and Wm. Walker, I preached and ordained to the Priesthood Rev. Junius Moore Horner, Deacon, on presentation by Rev. J. E. Ingle. In the Communion office, Rev. W. W. Walker, of Oxford, and Rev. J. E. Ingle, took part, and all the clergy present united in the laying on of hands. The next day, Tuesday, May 26th, I preached at St. Peter's Church, Stovall, and administered the Holy Communion, assisted in the services by Rev. W. W. Walker and Rev. J. M. Horner.

First Sunday after Trinity, May 31, in St. Timothy's Church, Wilson, after Morning Prayer by Rev. J. M. Horner, I preached and ordained to the Diaconate, Mr. Fenner S. Stickney, on presentation by Rev. B. S. Bronson. I also administered the Holy Communion, assisted by Messrs. Bronson and Horner.

At night, after a sermon by Rev. Mr. Horner, I confirmed two persons, and addressed them. This Parish was for some time without a Rector, and was only supplied the latter part of the summer. Left next day on my return to Raleigh. Mr. Stickney, immediately after his ordination, entered upon an extensive missionary field in Stokes and Rockingham Counties, where he has been doing an encouraging and successful work. Recently he has added to his

labors by taking charge also of the promising Mission in South Greensboro.

Wednesday, June 3d, left for New York to attend meetings of Committees to which I belonged.

Friday, June 5th, at the Rectory of Calvary Church, New York, I attended a meeting of the Committee of the General Convention on Colored Work.

Tuesday, June 9th, at the Bible House, New York, I attended the monthly meeting of the Board of Managers of the Missionary Work of the Church. During my visit to New York, and for some time previous, I suffered greatly from insomnia, and was much weakened by it. I did not derive the benefit which I had hoped from the journey. Wednesday, June 17th, I left New York on my return to Raleigh.

The next day, Thursday, June 18th, I stopped at Warrenton, and at night, in Emmanuel Church, I held a service for the colored people, confirmed eight, and addressed them.

Fifth Sunday after Trinity, June 28th, in the Church of the Good Shepherd, Raleigh, I assisted in the Morning Service.

Sixth Sunday after Trinity, July 5th, in Christ Church, Raleigh, preached and administered the Holy Communion, assisted by Rev. Dr. Marshall.

Sunday, July 12th, in St. Matthew's Church, Hillsboro, I assisted Rev. Mr. Ingle in the service, and administered the Holy Communion.

Saturday, July 18th, baptized a sick child in private at Hillsboro.

Sunday, July 19th, in St. Matthew's Church, I conducted the service and preached.

July 20th, buried an infant.

Sunday, July 26th, in St. Athanasius' Church, Burling-

ton, after Morning Prayer by Rev. R. J. Walker, I preached, confirmed five persons, and addressed them.

Friday, July 31st, left for my summer visitation in the mountains.

Sunday, August 2d, at Old Fort, preached to a large congregation in the Presbyterian church, Rev. C. T. Bland conducting the service. Left Monday for Asheville, and same day baptized an infant at a private house, who was not well enough to be taken to church.

Thursday, August 6th, in St. Andrew's Church, near Asheville, after Morning Prayer by Rev. Messrs. Barrows and Postell, I preached and administered the Holy Communion.

Sunday, August 9th, in St. John's Church, Hot Springs, Mr. Barrows read Morning Prayer. I confirmed one person after the Second Lesson, preached and administered Holy Communion. In the evening I held a short service in the parlor of the hotel.

Tuesday, August 11th, in Trinity Church, Asheville, I confirmed a lady about leaving the city.

At 4 P. M. in the Chapel at Haw Creek, I preached, confirmed five persons and addressed them, Messrs. Barrows, Rice and Bell assisting in the service.

Thursday, August 13th, at Beaver Dam Chapel, two miles north of Asheville, Rev. Messrs. Rice and Barrows conducted the service. I baptized an infant after the Second Lesson, preached, confirmed nine persons and addressed them. I was pleased to find a very large congregation present, and an increasing interest in the work of the Church. I made an address to the congregation on the importance of securing a Parsonage as speedily as possible for the accommodation of the Missionary, whose residence is many miles away. I am pleased to say that the proposal met with great favor, and with some outside help a very neat and comfortable home is now provided.

Sunday, August 16th, was the day for my visitation to Trinity Church, Asheville. The church was much crowded. I took part in the morning service and preached. At night, after Evening Prayer by Rev. Messrs. DuBose and Porter, I confirmed eleven persons and addressed them. I found Trinity Church in a very prosperous condition, but there is very great need of increased church accommodation in the city. I trust no long time will elapse before another strong congregation will be established there.

Wednesday, August 19th, in Grace Church, Waynesville, I preached, confirmed ten persons, addressed them, and administered the Holy Communion, assisted in the services by Rev. Dr. Buel and Rev. Messrs. DuBose, Barrows and Greaves.

Thursday, August 20th, I consecrated St. Mary's Church, Mica Dale, three miles from Waynesville. The request for consecration was read by Rev. W. S. Barrows and the sentence of consecration by Rev. Dr. Buel, who had been so largely instrumental in the erection of the church. I confirmed one person, after the Second Lesson, preached, and administered the Holy Communion. Rev. Mr. DuBose and Rev. Mr. Brown, of Florida, also took part in the service.

Friday, August 21st, in the Academy at Sylva, near Webster, after a brief evening service, I confirmed one person and preached to a large congregation. Drove eight miles to Cullowhee after the service.

Sunday, August 23d, in St. David's Church, Cullowhee, after Morning Prayer by Rev. Messrs. Barrows and Barker, I preached and administered the Holy Communion, assisted by Rev. Dr. Buel.

On Monday, August 24th, went to Cashier's Valley over a very rough mountain road.

The next day, Tuesday, August 25th, I had the great pleasure of consecrating the new and attractive church in

that valley, for which we are so largely indebted to the generosity and the zealous efforts of the Hampton family, and I was specially gratified by the presence of so many representatives of the family on this interesting occasion. The deed of donation and request for consecration was read by Mr. John Barbee, and the sentence of consecration by Rev. W. S. Barrows. The sermon was preached by me. I also confirmed seven persons, addressed them, and administered the Holy Communion.

A successful Parochial School is carried on in connection with the church by Mr. Samuel Rhodes, who has been acting for two years as Lay Reader.

Later in the season I admitted Mr. Rhodes to Deacons Orders in Asheville, so that he has since been better able to carry on a successful missionary work in connection with his Parochial School.

The day following the consecration was quite misty and threatening, so that we feared a very unpleasant journey on our return to Cullowhee, but later the clouds dispersed, and we found our descent of the mountains much more comfortable than the ascent two days before.

Thursday, August 27th, we returned to Asheville.

Saturday, I left for Flat Rock, and on Sunday, August 30th, I officiated in St. John's Church, preached and administered the Holy Communion, assisted in the services by Rev. Scott B. Rathbun, the new Rector of the Parish.

The former Rector, Rev. J. G. Drayton, had held the charge in connection with regular parochial work in the Diocese of South Carolina, so that the church was only left open during the summer months. But after his protracted illness and death, last spring, the Vestry communicated with me, and proposed a different arrangement. They also desired me to commend to them some suitable clergyman to reside at Flat Rock and keep up the services during the entire year. Upon my recommendation, Mr. Rathbun

was chosen to the Rectorship, and has been most kindly and cordially welcomed among them. At my request, the Vestry consented that during the past winter Mr. Rathbun should give a part of each Sunday to St. James' Church, Hendersonville, and in this way that church has since been regularly supplied, much to the comfort and satisfaction of the congregation. I could wish that this most fortunate arrangement might be permitted to continue, at least until some other clergyman can be procured to carry on the work at Hendersonville.

Sunday, P. M., at Hendersonville, I preached and confirmed four persons.

Monday, August 31st, I went to Saluda, which is quite a summer resort, near the summit of the Blue Ridge, and which is frequented largely by families from South Carolina. The Bishop of that Diocese has a summer residence there, and Rev. Dr. McCullough has also made that place his summer home for many years past. Chiefly through the active agency of Dr. McCullough a very neat Chapel has been built at Saluda, and as that place is in our Diocese, I was cordially invited to take the building under my spiritual jurisdiction, and consecrate it, under the name of the Church of the Transfiguration.

Tuesday, September 1st, was the day which I appointed for that service. I was made the welcome guest of the Bishop of South Carolina, together with two of the estimable clergy of his own Diocese. We proceeded to the church, and at the appointed hour the solemn consecration service was begun, Bishop Howe and a number of the clergy uniting in the service. The deed of donation and request for consecration was read by R. W. Shand, Esq., and the sentence of consecration by the Rev. Dr. McCullough. Morning Prayer was read by Rev. Mr. DuBose, of Asheville, and Rev. Messrs. Allston and Kershaw, of South Carolina. Bishop Howe commenced the communion office

and read the Epistle. I read the Gospel, preached the sermon, and also administered the Holy Communion, assisted by Bishop Howe, Rev. Dr. Johnson, of Charleston, and Rev. T. D. Bratton, of Spartanburg.

The service was one of deep interest, and afforded much gratification, especially to that faithful band who had labored so zealously to bring this good work to a successful issue. I only hope that arrangements can be made to secure regular services, at least during the summer months.

I left on the evening train for Tryon City, and only regretted that this very pleasant intercommunion had so soon to be interrupted.

Wednesday, September 2d, in the Church of the Holy Cross, Tryon City, I conducted the service, preached and administered the Holy Communion. In the afternoon, in a building which had been purchased for the colored people, I held service, baptized an adult, confirmed five persons and addressed them.

The next day I returned to Hendersonville, where I spent the night, and the following day, Friday, September 4th, I drove out to St. Paul's Church, Henderson County, accompanied by Rev. S. B. Rathbun. After Morning Prayer by Mr. Rathbun, I preached to quite a large congregation, although the day was very threatening, with frequent heavy showers. Returned in the afternoon to Hendersonville, and went at once to the railway station and proceeded to Fletcher Station. From there I was driven to the delightful and hospitable mansion of Rugby Grange.

Sunday, September 6th, in Calvary Church, after Morning Prayer by Rev. Alban Greaves, I preached, confirmed two persons, and administered the Holy Communion.

Left on Tuesday for Asheville, and on Wednesday, in Trinity Chapel, after Evening Prayer by Rev. H. S. McDuffey, I preached, confirmed nine persons and addressed them.

I regret to add that not long after this visitation Mr. McDuffey's health was much impaired, and to the great regret of the congregation he felt it necessary to give up the charge and remove to South Carolina. His place I was able almost immediately to supply with the services of Rev. Freeman W. Dunn, who had been educated and ordained in this Diocese, but who had been officiating for some time in the Diocese of Georgia.

I left Asheville Friday Sept. 11th, for Hickory, and the same evening, in the Church of the Ascension, I preached to a large congregation. I was assisted in the service by Rev. C. L. Hoffman, of Morganton, who had been holding occasional services in the vacancy of the Rectorship. Rev. J. A. Weston, who had resigned this charge and gone on a visit to Europe, had recently returned, and at a meeting of the Vestry, shortly after my visit, he was recalled to the Rectorship, and is now again in charge of the Parish.

The next morning I was sent for to baptize a sick child, and administered the ordinance just before its death. Shortly afterwards I confirmed in private a sick person.

The same day, Saturday, Sept. 12th, I took the train for Lenoir, and on arrival was driven to the Rectory, where I was warmly welcomed by Rev. Dr. Buxton and family. It was a great satisfaction to me to find this Parish and its adjacent Missions in such faithful hands, and to learn that everything was going on in the most encouraging way. The lessened cares and responsibilities in this smaller field has proved a great relief to Dr. Buxton, and his health seems to be much improved. I trust that many years of useful labors may yet be granted him.

On Sunday, September 13th, in St. James' Church, I preached to an unusually large and attentive congregation, assisted in the services by Dr. Buxton. Shortly after the service, we left for Yadkin Valley, seven miles away, and at 4 P. M., in the beautiful Chapel of Rest, after Evening

Prayer and an adult baptism by Dr. Buxton, I preached and confirmed one person.

In addition to the duties now devolved upon Dr. Buxton, I am anxious to place our Missions in Watauga County under his special supervision, so soon as I can find some zealous young clergyman to be associated with him in this work. It is a field well known to him, in which he feels a deep interest, and where his presence will always be cordially welcomed.

I spent the night at the pleasant and hospitable home of Mr. Patterson, and left the next morning for Lenoir to take the train for Hickory and Statesville. On reaching Lenoir I learned that a change of schedule had just taken place, so that there would be no afternoon train to Hickory. I secured a carriage at once and drove to Hickory, whence I proceeded by train to Statesville.

Nearly the whole of the next day was occupied in bringing up arrears of correspondence.

Wednesday, Sept. 16th, in Trinity Church, Statesville, after Morning Prayer by Rev. E. A. Osborne, I preached, confirmed three persons, addressed them, and administered the Holy Communion.

I left the same evening for Hillsboro, arriving there the next day.

Sunday, Sept. 20th, in St. Matthew's Church, I took part in the service and preached. The Rector, Rev. J. W. Murphy, had not yet returned from his trip to Europe. Later I learned that he was visited with extreme illness before his return, and when he reached Hillsboro he found himself in a very weak and shattered condition. He soon became convinced that he would not be able to carry on his work, and therefore, to the deep regret of the congregation, he resigned his charge, to take effect at Easter. He has been one of our most faithful and efficient workers, and

his removal is a great loss, not only to his Parish, but to the whole Diocese.

I left Hillsboro the middle of the week, to continue on with my visitation, and on Thursday, September 24th, held service in Cunningham's Chapel, Person County, baptized an adult and an infant, preached, confirmed two persons, addressed them, and administered the Holy Communion.

At night I held service and preached in the new church at Milton. We had very large congregations at both services. In these joint missions we have a noble opportunity for a most successful work, but I have not been able to find a suitable person to undertake the duty. The support, in the first instance, must necessarily be limited, but an active, energetic and judicious worker would soon build up two excellent congregations.

Sunday, September 27th, in St. Paul's Church, Winston, after Morning Prayer by Rev. Mr. Reaney, I preached, confirmed five persons, addressed them, and administered the Holy Communion. Preached again at the evening service. Winston is one of our most promising places, and the Church here is making a steady advance.

Tuesday, September 29th, in Christ Church, Walnut Cove, I was assisted in the services by Rev. F. S. Stickney, preached, confirmed ten persons, addressed them, and administered the Holy Communion. I found much to encourage in the work at this place. The interest in the Church and her services is steadily increasing and strengthening, and if only more frequent services could be provided, we should surely find a much larger measure of prosperity.

Wednesday, September 30th, in St. Philip's Church, Germanton; Rev. Mr. Stickney read the Morning Prayer. After the Second Lesson, I baptized one adult and one infant, preached, confirmed one person, and administered the Holy Communion.

Thursday, October 1st, I consecrated the new and very beautiful Church of St. John, at Madison, Rockingham county. The deed of donation, with request for consecration, was read by Col. John M. Galloway, and the sentence of consecration by Rev. N. B. Harris. I preached and administered the Holy Communion, assisted in the services by Rev. F. S. Stickney, the minister in charge, and Rev. Mr. Harris, of Reidsville. So graceful and attractive a church I was hardly prepared to find; and it reflects very great credit and honor upon the few who have labored so faithfully that they have been able to accomplish such a result.

In the same church, at 4 P. M., after Evening Prayer, I confirmed nine persons and addressed them. Large and interested congregations were present at both services.

I returned the next day to Walnut Cove, and on Saturday, October 3d, Rev. Mr. Stickney accompanied me to Mt. Airy. This thriving place I had never visited before, and found there much to cheer and encourage.

On Sunday, October 4th, a very large congregation assembled in the spacious Opera-House, which we had been kindly invited to occupy, and I preached both morning and evening, Rev. Mr. Stickney assisting in the services. At an earlier hour, in a private parlor at the hotel, I administered the Holy Communion to about fifteen communicants. At this important centre we are very anxious to erect a church so soon as the requisite funds can be secured. This place is within the circuit of Mr. Stickney's missions, and one in which he has been doing an excellent work; but unless I can secure some faithful helper for him, it will be impossible to gather in the fruits which now seem so promising.

The next day I went by rail to Wilkesboro, and it was a great relief to be able to reach that place without the long

and fatiguing drives which had been inseparable from all previous visitations.

Tuesday, October 6th, in St. Paul's Church, after Morning Prayer by Rev. R. W. Barber, I preached, confirmed two persons, addressed them, and administered the Holy Communion. Wilkesboro and the neighborhood showed signs of decided improvement, as the result of the railway facilities which are now enjoyed, and I trust that the Church may share in this general progress.

Wednesday, October 7th, I preached and administered the Holy Communion at Gwyn's Chapel, and in the afternoon returned by rail to Wilkesboro.

I left the next morning, by carriage, for Lenoir, and took the train the following morning to Lincolnton.

Friday, October 9th, in St. Luke's Church, after Evening Prayer by Rev. W. R. Wetmore, I preached, confirmed nine persons and addressed them.

On Saturday, I took the train to Shelby, and on Sunday, October 11th, in St. Thomas' Church, I was assisted in the service by Rev. Gerard W. Phelps, who has been officiating since that time at Shelby and Rutherfordton. I preached and administered the Holy Communion. By removals from the town, we have lost several attached members of the Church, so that the congregation has been much weakened.

Late in the afternoon, Mr. Phelps accompanied me to Rutherfordton, and at night, in St. John's Church, after Evening Prayer by him, I preached, confirmed four persons and addressed them. This congregation, too, has recently suffered serious loss by the removal to other places of some of our most devoted members. Mr. Phelps has been struggling on under many discouragements, but still hopes that a good work may be done in this field.

I left by rail next morning for Marion, and proceeded on to Morganton. At 8 P. M. I held a service in the church,

for colored people, and after Evening Prayer by Rev. Mr. Hoffman and Rev. Mr. McDuffey, I preached, confirmed eleven persons and addressed them. A very pretty church for the colored congregation has been built in Morganton, and by this time is, no doubt, entirely completed.

The next morning, Tuesday, October 13th, Mr. Hoffman conducted the service in Grace Church, and after the Second Lesson, I baptized an infant, preached, and administered the Holy Communion.

I left the next morning for Black Mountain, where I visited an attached member of the Church, and continued my journey the following day to Asheville.

Sunday, October 18th, in Trinity Church, I held a confirmation service, and confirmed eleven persons, making thirty-eight confirmed since last Convention. I then preached and admitted to Deacon's Orders Mr. Samuel Rhodes, on presentation by Dr. Buel. I also administered the Holy Communion, assisted by Dr. Buel, Mr. DuBose and Mr. Rhodes.

On Tuesday, I was driven from Asheville to Bowman's Bluff, and on Wednesday, October 21st, in Gethsemane Church, I was assisted in the services by Rev. Edward Bradley and Rev. S. B. Rathbun. I preached, confirmed two persons, and administered the Holy Communion.

In the afternoon, we drove on fifteen miles to Brevard.

Thursday, October 22d, I consecrated St. Philip's Church, which, although erected several years ago, had only been completed a few days before this visit. It is now a very tasteful and attractive church. The deed of donation and request for consecration were read by Rev. Edward Bradley, who had been officiating some months at Brevard, and the sentence of consecration by Rev. S. B. Rathbun, of Flat Rock. I preached, confirmed two persons, addressed them, and administered the Holy Communion.

I was sorry to learn that Mr. Bradley, whose services had

proved so very acceptable, would not be able to continue any longer in charge, and up to this time I have not been successful in making any satisfactory arrangements for a supply of services. It is a most interesting field, and one of no little promise.

Friday, October 23d, I was driven back to Asheville.

On Saturday, I left for Franklin, going by rail to Dillsboro, and thence twenty miles by carriage, arriving about 7 P. M.

Sunday, October 25th, in St. Agnes' Church, after Morning Prayer by Rev. J. A. Deal and Rev. George C. Whyte, I preached, confirmed two persons and administered the Holy Communion.

Mr. Whyte returned north shortly after my visit, and Rev. J. W. Barker, from Florida, has been assisting Mr. Deal in his extended missionary field.

The next day I left on my return to Asheville, and on Friday took the train for Raleigh.

Sunday, November 1st, in the Church of the Good Shepherd, I took part in the morning service, and administered the Holy Communion, assisted by Rev. Mr. Pittenger, who had entered upon his duties a few weeks before as Rector of the Parish.

Sunday, November 8th, I assisted in the services in Christ Church, Raleigh.

Sunday, November 15th, I preached in the Chapel of St. Mary's School.

First Sunday in Advent, November 29th, in Emmanuel Church, Warrenton, after Morning Prayer by Rev. Edward Benedict and Rev. B. S. Bronson, I confirmed three persons, preached and admitted to the Priesthood Rev. Edward P. Green and Rev. Fenner S. Stickney, Deacons, on presentation by Rev. B. S. Bronson, who, with Rev. Mr. Benedict, assisted in the laying on of hands. I also administered the Holy Communion.

Second Sunday in Advent, December 6th, in the Chapel of the Cross, Chapel Hill, after Morning Prayer by Rev. F. Towers, I confirmed one person, preached and administered the Holy Communion. Preached again at the evening service.

Sunday, December 13th, in Christ Church, Raleigh, I assisted in the service and preached.

Saturday, December 19th, being the fiftieth anniversary of my ordination to the Priesthood, special services were held in the Church of the Good Shepherd, Raleigh, under the direction of a committee appointed for that purpose at our last Convention. The choir, followed by the clergy and Bishop, entered the church singing a processional hymn. I then began the Communion office. The Epistle was read by Rev. Dr. Marshall and the Gospel was read by me, followed by the Nicene Creed. A very jubilant Te Deum was then sung by the united choirs of Christ Church and the Church of the Good Shepherd. I then delivered an extended address, reviewing the long period during which I had been permitted to officiate at the Holy Altar. Upon its conclusion I was addressed in a very kind and cordial way by Rev. Dr. Marshall, President of the Standing Committee and as the representative of the Diocese, and he concluded by presenting me with a beautiful Pastoral Staff as the expression of the sympathy and love of a kind and affectionate people. I was deeply touched by this unexpected gift, and in a few words sought to give utterance to my most grateful acknowledgments, not only for so appropriate and expressive a symbol, but for the tender and loving words by which this gift was accompanied. The Holy Communion was then administered.

The same evening the doors of my own residence were thrown open to all who might feel disposed to come, and several hundreds of friends met me, with kindest congratu-

lations and the most cordial good wishes. It was indeed a very happy and joyous reunion.

The next evening, Sunday, December 20th, the festal jubilee was continued in Christ Church. A procession of choristers and clergy entered the western door of the church, followed by the Bishop, who was immediately preceded by his appointed chaplain bearing the Pastoral Staff. The church was densely crowded, and a very deep interest was manifested. After Evening Prayer by Rev. Mr. Pittenger and Rev. William Walker, very valuable addresses were delivered by the Hon. Kemp P. Battle, Rev. J. B. Cheshire, Jr., D.D., and F. S. Spruill, Esq. I made a brief closing address, after which the joint choirs of Christ Church and the Good Shepherd rendered, with thrilling effect, that grand and impressive anthem, "How beautiful are the feet of the messengers who preach the gospel of peace." I then closed this jubilee service with some appropriate collects and the Apostolic Benediction.

In thus recalling this most interesting occasion, I should do great injustice to my own feelings did I not give utterance to my deep appreciation of all the sympathy and kindness which were so freely manifested, and of which I felt myself so unworthy. The one controlling desire of my heart was that, by God's gracious blessing upon me, the time which still remains for me may be passed in a spirit of increased devotion to the interests of the kingdom of Christ. To the dear people of my charge, I desire to devote whatever of strength and health and energy may still be granted me; and may we all be unitedly awakened to higher zeal and increased consecration to the great work which is here given us to do.

Only three days after this interesting jubilee I was seized by a very sharp attack of that singular and trying disease by which so many have suffered during the past winter. For three weeks I was closely confined to the house, but

through the skill of kind and sympathizing physicians, and by the blessing of God, I came out of the ordeal quite strong and sound, and with but very little of lingering weaknesses. Still, for greater security, I was advised to go, for a few weeks, to a milder climate, while escaping, at the same time, from the continuous labors which seem inseparable from remaining at home. Acting upon this advice, I arranged a programme for making several visits to valued friends in South Carolina and Georgia, where I shared the largest and most generous hospitality and derived the greatest enjoyment and benefit from the journey.

I went first to Charlotte, on my way to the South, in order to attend to an important duty there.

Before leaving home on Saturday, Jan. 24th, I preached in the Church of the Good Shepherd, Raleigh. I left on Monday, January 25th, and the next day, Tuesday, January 26th, in St. Michael's Church, Charlotte, I preached and admitted to the Priesthood Rev. Primus P. Alston, Deacon, the minister in charge, on presentation by Rev. E. A. Osborne, who, with Rev. C. N. F. Jeffery, united in the laying on of hands. I also administered the Holy Communion.

Early in the same afternoon I took the train for Columbia, where I passed a few days very pleasantly with kind and valued friends.

Sunday, January 31, I spent most agreeably at Union, S. C.; preached and administered the Holy Communion in the morning, and preached again at the evening service, Rev. B. S. Allston, Rector of the Parish, conducting the services.

I left on Monday for Charleston, and spent part of the week there and a part with friends residing some miles out of the city, and greatly enjoyed my visits.

Sunday, February 7th, I preached in St. Philip's Church, Charleston, in the morning, assisted in the services by the Rector, Rev. Dr. Johnson, and at night I preached to the

large colored congregation in St. Mark's Church. The following Sunday, February 14th, I preached in the Church of Prince George, Georgetown, S. C., and on February 21, I preached in St. Paul's Church, Augusta, Georgia.

On Tuesday I went to Atlanta, and on Wednesday, February 24th, in St. Luke's Cathedral, I took part in the interesting and impressive services in connection with the consecration of Rev. Cleland Kinloch Nelson, D.D., as Bishop of Georgia. I read the Epistle in the Communion Service, and as one of the co-Consecrators, united in the laying on of hands.

The next morning I left for Charlotte, arriving the same evening.

Friday, February 26th, I commenced my Spring visitation at St. Mark's Church, Mecklenburg County, and after Morning Prayer by Rev. J. B. Cheshire, Jr., D.D., and Rev. C. N. F. Jeffery, I preached, confirmed ten persons, addressed them and administered the Holy Communion. I was pleased to find this congregation in an increasingly prosperous condition, although there had been much serious sickness among them, and no little distress from the shortness of the crops. And as I continued my visitation later, in the more easterly district of the Diocese, it was truly painful to learn how very many of our people were greatly straitened through the comparative failure of the crops, and the low range of prices. Many find it extremely difficult to make their accustomed offerings for maintaining among them the ministrations of the sanctuary. Surely those who are more richly blessed should feel that it is specially incumbent upon them to contribute in much larger measure to our missionary offerings, so that we may be able to lend a helping hand to many of our clergy, who are sorely crippled by this wide-spread stringency. "Bear ye one another's burdens," saith the Apostle, "and so fulfil the law of Christ."

Sunday, February 28th, in St. Peter's Church, Charlotte, I preached and administered the Holy Communion, assisted in the services by the Rector.

At 4 P. M., in St. Michael's Church, after Evening Prayer by Rev. P. O. Alston, and a sermon by Dr. Cheshire, I confirmed ten persons and addressed them. At night I preached again in St. Peter's Church.

I left the next day for Monroe, and the same evening, in St. Paul's Church, after Evening Prayer by Rev. Messrs. Quin and Jeffery, I preached, confirmed eight persons and addressed them. The service awakened much interest, and the church was crowded to its utmost capacity. The prospects of the church at Monroe are most encouraging. Since my visit steps have been taken to erect, on the church lot, a suitable Parsonage. Monroe is an excellent centre for a large mission work, which I am most anxious should be promptly undertaken.

Tuesday, March 1st, I continued my journey to Laurel Hill and Malloy's Factory, where quite a considerable community is congregated. We have there the use of a commodious Chapel, and our services are much appreciated. In this Chapel on Ash Wednesday, March 2d, after Morning Prayer by Rev. William Walker, I preached, confirmed three persons and administered the Holy Communion. Shortly before the service I went with Mr. Walker to a private house in the neighborhood, where I confirmed a sick man who had long been confined to his bed.

I was much gratified to find at our Chapel service so large and attentive a congregation. It is very plain that old prejudices are rapidly passing away, and that the solemn and impressive services of the church, coupled with simple gospel teaching, are finding a wider and more general acceptance.

Soon after the services I took the train to Wadesboro, and on Thursday was driven to Ansonville.

Friday, March 4th, quite a large congregation assembled in the church, and after the Litany by Rev. Mr. Quin, I preached and administered the Holy Communion.

We held a service in the evening, when the church was entirely filled, many coming from a considerable distance. I preached and confirmed one person. One other candidate was not at all well during the service, and I confirmed him in private early the next morning.

In the afternoon I was driven back to Wadesboro, and delivered a lecture in Calvary Church in the evening.

Sunday, March 6th, in the same church, after Morning Prayer by Rev. Mr. Quin, I preached, confirmed seven persons, addressed them, and administered the Holy Communion. I preached again at the evening service.

A considerable amount has already been secured toward the erection of a new church in Wadesboro, and much anxiety is manifested to enter upon the work during the present season. Such a church is greatly needed, and I feel sure would do much to secure an increasing measure of progress and prosperity.

Monday, March 7th, I returned to Raleigh, after an absence of many weeks.

Thursday, March 10th, in Christ Church, after Evening Prayer by Rev. Dr. Marshall, I delivered a lecture, with special reference to the Lenten season.

Second Sunday in Lent, March 13th, in St. Philip's Church, Durham, I conducted the service, baptized three infants, preached and administered the Holy Communion.

The vigorous efforts of the Vestry to secure a Rector for this Parish have resulted in the election of the Rev. Stewart McQueen, who has accepted the charge and will enter upon his duties on the first day of June.

The following Sunday, March 20th, I visited St. Matthew's Church, Hillsboro. I found the Rector too unwell to take much part in the services. I preached, confirmed

seven persons and addressed them. I took part also in the evening service at five o'clock.

This interesting Parish I trust may not be long without a zealous and active Rector. Together with its two Mission Stations, it presents an encouraging field where much may be accomplished.

I returned the next day to Raleigh.

Saturday, March 26th, I left in the morning for Wilson, and the same evening, in St. Timothy's Church, I took part in the service.

Fourth Sunday in Lent, March 27th, in same church, after Morning Prayer by Rev. C. J. Wingate, I preached, confirmed seven persons and addressed them.

At night, in St. Mark's Church, after Evening Prayer by Rev. Mr. Perry, I preached, confirmed three persons and addressed them.

After more than a year's vacancy in the Rectorship of St. Timothy's, I was rejoiced to find the vacancy so happily supplied and everything connected with the Parish in so prosperous and encouraging a condition. A strong effort is in progress looking to the erection of a new and larger church edifice, now so imperatively demanded. Nothing, I am sure, but the general financial depression now so widely prevailing will prevent the completion of this work during the present year.

The next day, at noon, I took the train to Battleboro, and at night, in St. John's Church, now nearly completed, I conducted the services and preached. As this mission has been almost entirely without services for the past year, I was glad to find that the interest in the work seemed unabated, while all were most anxious for renewed ministerial services.

Tuesday, March 29th, in the Church of the Good Shepherd, Rocky Mount, I conducted the services, preached and administered the Holy Communion. Here, too, there has

been a long vacancy in the Rectorship, although the most vigorous efforts have been made for its supply. The mission at Battleboro is associated with the Parish at Rocky Mount, and so soon as the Parish can be supplied the mission will also be cared for. The field is a most encouraging and attractive one, and I am deeply concerned that it should so long be unsupplied.

I left the next day for Tarboro, and at night in St. Luke's Church, after Evening Prayer by Rev. Mr. Perry, I preached and confirmed one person.

Thursday, March 31, in Calvary Church, Tarboro, I celebrated the Holy Communion and made an address after the Gospel. At night, after Evening Prayer by Rev. Mr. Hebbard, I preached, confirmed twenty-four persons, and addressed them. A very important mission work is carried on in several districts by the labors of lay workers of the Parish, under the immediate direction of the Rector, and with the most encouraging results.

Friday, April 1, I was driven out to St. Mary's Chapel, Edgecombe County, one of the Missions of Calvary Church. After Morning Prayer by Rev. Messrs. Hebbard and Smith, I preached, confirmed five persons, addressed them and administered the Holy Communion. The same evening I was driven on to Scotland Neck.

Sunday, April 3d, in Trinity Church, after Morning Prayer by Rev. W. J. Smith, I preached, confirmed two persons, addressed them, and administered the Holy Communion. The large Church was entirely filled, and much interest was manifested in the services.

Tuesday, April 5th, in Church of the Advent, Enfield, I was assisted in the services by Rev. Mr. Mellichampe. I preached, confirmed five persons, addressed them, and administered the Holy Communion. Directly after the service, I went to the house of a member of the congregation who was seriously ill, and confirmed him and his wife.

In the afternoon I was driven to Ringwood, and the next day, in St. Clement's Church, after the Litany by Rev. Mr. Mellichampe, I preached and administered the Holy Communion, Rev. Dr. Smith, although quite feeble, assisted in the service. I believe this was his last official act before he was taken from us, only a little more than a week later. We greatly need at once a zealous and active clergyman to take charge of the two churches at Enfield and Ringwood.

Friday, April 8th, in St. Mark's Church, Halifax, after the Litany by Mr. Mellichampe, I preached and administered the Holy Communion.

At night, in Grace Church, Weldon, after Evening Prayer by Mr. Mellichampe, I preached, confirmed four persons and addressed them.

Sunday before Easter, April 10, in the Church of the Saviour, Jackson, Rev. Mr. Picard assisted in the service, I preached, confirmed three persons, and administered the Holy Communion.

At 5 P. M. I confirmed a lady at her own house, and at 5:30, in the Church, assisted at the evening service.

Tuesday, April 12th, I preached in St. Luke's Church, Gaston, assisted in the service by Rev. Edward Benedict, who has charge of that Mission.

Wednesday, April 12th, I crossed the Roanoke at an early hour to Gaston Station, where I took the morning train to Littleton, reaching there before 8 o'clock.

At 10:30 in the Chapel of the Cross, I found the largest congregation I had ever seen in Littleton; and after the Litany by Rev. Mr. Mellichampe, I preached, confirmed seven persons, and addressed them. With the very large field under the care of Mr. Mellichampe, he greatly needs an active helper to be associated with him. There is every promise of most encouraging results, but the labors are really beyond the strength of any one clergyman. Alas!

my dear brethren, on nearly every side we have abundant evidence of the lack of sufficient laborers for the work which needs to be done, and I see not how this want is to be supplied, unless every encouragement is given to devout and earnest young men to devote themselves to the work of the holy ministry. Our attention must be more turned to the young men of our own Diocese to supply these pressing needs.

Shortly after the close of the service at Littleton, I took the train for Ridgeway, and then was driven five miles into the country, to St. Luke's Church, Warren County, where we have a small colored congregation. Rev. Wm. Walker conducted the service, after which I made an address on the subject of confirmation; confirmed five persons and addressed them.

Thursday, April 14th, in the Church of the Good Shepherd, Ridgeway, after Morning Prayer by Rev. W. S. Pettigrew and Rev. Wm. Walker, I preached, confirmed two persons, and administered the Holy Communion.

Good Friday, April 15th, in the church at Middleburg, after Morning Prayer by Mr. Pettigrew, I preached and administered the Holy Communion.

Easter Day, April 17th, in St. John's Church, Williamsboro, a very large congregation assembled. I preached, confirmed one person, and administered the Holy Communion, assisted in the services by Rev. Mr. Pettigrew.

Tuesday, April 19th, was a day of marked interest. The graceful and attractive Church of the Holy Innocents, at Henderson, was then consecrated. Several of the clergy from a distance, and the choir of the Church of the Good Shepherd, Raleigh, came to take part in the sacred solemnity. At 11 o'clock the Bishop entered the Church and led the procession to the Chancel, reciting the opening Psalm of the Consecration Services. The deed of donation was read by the Senior Warden, Mr. G. C. Lamb, and

the sentence of consecration by the Rev. J. E. Ingle, Rector of the Parish. The Bishop continued the consecration office, and at its close Morning Prayer was read by Rev. J. M. Horner and Rev. M. T. Turner. In the Communion office the Epistle was read by Rev. F. L. Bush, and the Gospel by Rev. A. B. Hunter. The sermon was preached by the Bishop, who also administered the Holy Communion. Rev. C. C. Quin acted as Chaplain to the Bishop, carrying before him the Pastoral Staff. Rev. Mr. Pittenger, of Raleigh, was also present. A very large congregation was in attendance, and all seemed greatly to enjoy the impressive service.

I left the next morning for Oxford, and at night, in St. Stephen's Church, after Evening Prayer by Rev. Messrs. Horner and Quin, I preached, confirmed sixteen persons and addressed them. Rev. Wm. W. Walker, Rector of the Parish, took part in the service. This Parish is in a very prosperous condition, and greatly needs a new and larger Church edifice. A vigorous effort to this end is now in progress, and I trust it may be crowned with complete success.

Thursday, April 21, I visited St. Paul's Church, Goshen. Rev. Messrs. W. W. Walker and J. M. Horner accompanied me and took part in the service. I preached and administered the Holy Communion. Mr. Horner officiates here one Sunday in each month, and an increasing interest is manifested in the services. Mr. Walker remained with me until the next morning, and we then drove back to Oxford.

On Saturday I went to Kittrell, and on Sunday, April 24th, in St. James' Church, the Rector, Rev. M. T. Turner, assisted in the service. I preached and administered the Holy Communion. I took part also in the evening service. The next morning I went by the early train to Raleigh.

Sunday, May 1st, in Christ Church, Raleigh, after Morning Prayer by Rev. Dr. Marshall, I preached, confirmed a

class of twelve persons, addressed them and administered the Holy Communion.

At night, in St. Augustine's Church, after Evening Prayer by Rev. W. Walker and Rev. H. B. Delany, I preached, confirmed fourteen persons and addressed them. The church was more crowded than I have ever seen it, and a very unusual interest was manifested.

Monday, May 2d, I held an Ordination in the same church, and admitted to the Priesthood Rev. H. B. Delany, Deacon, who for some time has been assisting in the services at that church. Morning Prayer was read by Rev. Dr. Bennett Smedes and I. McK. Pittenger, the sermon was preached by Rev. A. B. Hunter, the candidate was presented by Rev. Dr. Marshall, and all the clergy present united in the laying on of hands. The Holy Communion was then administered. A large congregation was present.

Sunday, May 8th, in the Church of the Good Shepherd, Raleigh, after Morning Prayer by Rev. I. McK. Pittenger, I preached, confirmed fifteen persons, addressed them, and administered the Holy Communion.

Mr. Pittenger entered upon the Rectorship of this Parish last September, and has been very kindly and cordially received. The congregation has been steadily increasing, and a deepening interest seems to be manifested by the members of the congregation. The Rectory has been much improved and made a very comfortable home. A vested choir has been introduced, which meets with much favor, while the organ recess and the chancel have been enlarged and improved.

The evening of the same day I made my visitation to St. Mary's School. At 6 the pupils entered the Chapel, singing a processional hymn. After Evening Prayer by Rev. B. Smedes, I confirmed thirteen of the pupils of the school and addressed them. The Chapel was crowded, and the services were very beautiful and impressive.

I am pleased to add here that the School is in a more prosperous condition than for many years past, and is fully sustaining its high reputation for thorough scholarship and for that refined and elevated tone for which it has ever been distinguished. This next month will complete the half century since its establishment, and when we recall the widespread influence for good which has emanated from this noble institution, well may we rejoice in connection with its happy jubilee. May it long continue sending forth, as from a perennial fountain, those pure, and Christian, and ennobling influences which shall make it an enduring blessing to generations yet unborn.

And now, dear brethren of the Clergy and Laity, I have thus given you an outline of the duties which have been discharged by me since our last Convention. While deeply regretting that my health has been, at times, so much impaired as in some degree to interrupt my public duties, yet I am sure you will recognize the fact that quite a large amount of work has been accomplished, and you will also agree with me that we have great cause for encouragement. We have made several valuable accessions to the ranks of the clergy, and I do not remember any time since I first came among you when more interest was shown in the work of the Church or a readier disposition to stay up the hands and encourage the hearts of those who are ministering among you.

The following is a summary of duties discharged by me during the past year: I have baptized three adults and ten infants; have confirmed three hundred and eighty-one candidates; have preached one hundred and two sermons and delivered fifty addresses; have officiated at one funeral; have ordained six Priests and two Deacons; have consecrated seven Churches, and administered the Holy Communion on sixty-two occasions.

I have given Letters Dismissory and received notice of

acceptance in behalf of Rev. Milnor Jones, Deacon, to the Diocese of Oregon ; Rev. Arthur N. Wrixon, to the Diocese of Maine ; Rev. Charles L. Hoffman, to the Diocese of East Carolina ; Rev. Henry S. McDuffey, to the Diocese of South Carolina ; Rev. Charles F. Drake, M. D., to the Diocese of Springfield.

And by Letters Dismissory I have received the following : Rev. I. McK. Pittenger, from the Diocese of Long Island ; Rev. Gerard W. Phelps, from the Diocese of Virginia ; Rev. J. W. Barker, Deacon, from the Diocese of Florida ; Rev. Scott B. Rathbun, from the Diocese of Albany ; Rev. Charles Ferris, from the Diocese of Connecticut ; Rev. Freeman W. Dunn, Deacon, from the Diocese of Georgia, and Rev. Edward Benedict, from the Diocese of Newark.

Rev. Mr. Pittenger has charge of the Church of the Good Shepherd, Raleigh ; Rev. G. W. Phelps is officiating at Shelby and Rutherfordton ; Rev. J. W. Barker is assisting Rev. J. A. Deal in his large missionary district ; Rev. Charles Ferris has charge of the congregations at Lexington and High Point ; Rev. Mr. Rathbun has become Rector of St. John's Church in the Wilderness, at Flat Rock. Rev. Charles J. Wingate has resigned the Rectorship of St. Philip's Church, Durham, and has become Rector of St. Timothy's Church, Wilson. Rev. Edward Benedict has charge of the congregations at Warrenton, Jackson and Gaston. The Rev. Frederick Towers has resigned the charge of the congregations at Warrenton, Jackson and Gaston, and has become Rector of the Chapel of the Cross, Chapel Hill. The Rev. Joseph W. Murphy, in consequence of continued ill-health, resigned some months since the charge of St. Matthew's Church, Hillsboro, to take effect at Easter, and has removed to Washington City, D. C. Rev. Freeman W. Dunn has taken charge of Trinity Chapel, Asheville, made vacant by the removal of Rev. H. S. McDuffey to South Carolina.

Rev. Edward P. Green has accepted the Rectorship of Grace Church, Morganton, and has entered upon its duties. Rev. Charles T. Bland has resigned the missionary work at Marion and Old Fort, and has become Rector of St. Bartholomew's Church, Pittsboro.

The whole number of the Clergy now connected with the Diocese is sixty-four.

The candidates for Priests Orders are: Rev. William F. Rice, Deacon, and Messrs. Nathau A. Seagle, George V. Gilreath, St. Clair Hester, and J. D. Miller.

The candidates for Deacons Orders are: Messrs. S. A. B. Trott, Sidney S. Bost, H. M. Parker, Robert Bruce Owens, Gaston Battle and Abner Hill.

The Postulants are: Messrs. Edward L. Whitehead, John H. Gilreath, John Creighton Seagle, Alfred James Griffin, Thomas Cogdell Wetmore, John R. Brooks and Herbert B. Trussell.

I regret to add that there are still several important vacancies in the Diocese, and these, I trust, will soon be happily supplied.

In our extensive mission fields we greatly need several active and efficient clergymen. The prospects of growth and progress are every way most promising, but the insufficiency of our missionary funds renders it well-nigh impossible, at this time, to provide for these needs. And, my dear brethren, I feel it a great and imperative duty to urge again upon all our people a livelier and more intelligent interest in the extended missionary districts which are lying all around us. We are losing many noble opportunities where the fields are ripe for the harvest, and where the most cheering results could be accomplished if only we could sustain the laborers whom we may be able to procure. May God help us all duly to recognize both our opportunities and our obligations. May He inspire us with courage and faith and that holy kindling love which shall impel us

to seek first the kingdom of God and make it our meat and our drink to do His holy will. And may we all remember that gifts and sacrifices which are cheerfully made for the promotion of the glory of God will always be found laden with richer blessings to him who gives than to him who receives the gift. For there is no declaration of Divine wisdom which is more true than the language of that apparent paradox, "There is that scattereth and yet increaseth, and there is that withholdeth more than is meet but it tendeth to poverty."

Before concluding this address, permit me to say a few words in regard to the different institutions which hold a close relation to the Diocese.

The Ravenscroft High School for Boys has been increasingly prosperous during the past year, so that some provision will need very soon to be made for enlarging the accommodation for boarding pupils.

The Ravenscroft Theological Training School, which has its home in Schoenberger Hall, has been much hindered in its work during the past year, but we hope very soon to see it upon an improved basis, and carrying on successfully the important work for which it was established.

The Thompson Orphanage, under the judicious guidance of Rev. E. A. Osborne, is moving steadily onward in its important work of mercy and of charity, but much perplexity is often occasioned by the irregularity and uncertainty in the supply of those funds upon which it is so entirely dependent. The Orphanage greatly needs some fixed income upon which it can count with confidence for the supply of a part, at least, of its daily needs. Let us hope that, as the great benefits bestowed by this institution are better known and appreciated, there will be clearly manifested among our people an increasing disposition to devise more liberal things for the furtherance of so noble and necessary a work. I am glad to know that through the

generous bounty of one of its faithful friends, a convenient and attractive Chapel has been erected during the past year, which greatly adds to the convenience, the dignity and beauty of the daily worship, and of consequence increases the interest in that worship.

There are also, in connection with this Orphanage, other very urgent needs, the supply of which is indispensable for the successful prosecution of the work. Let us hope and pray that every liberal benefaction which is bestowed may prove a powerful stimulus to other kind and sympathizing hearts, encouraging such further generous gifts as will place this Orphanage upon a solid basis, and make it an increasing power for good.

Nor should I fail to remind you of the plan which has been, in part, inaugurated to establish near Salisbury a school for boys, where a sound, Christian education may be placed within the reach of very many who cannot afford the advantages of more costly schools. An excellent and valuable property has been secured, and a day school has been opened. But a considerable increase of funds is greatly needed, more fully to develop this important plan. The remaining debt upon the property should be cleared off as soon as it is possible; and further funds are also greatly needed to cover a part of the cost of carrying on the school. Would that an effort so praiseworthy as this might find many and generous supporters.

And now, with a few words of a more strictly personal character, I will not trespass longer upon your patience.

The occasional interruptions of my work during the past two years from impaired health, the result, perhaps, of too close and protracted attention to official duties, warns me of the necessity of somewhat lightening my public labors. And I think this can be accomplished without any material loss to the Diocese. Many of my most toilsome and exhausting visitations are to very feeble Missions, in remote

districts, where no serious hindrance would be sustained if the visits were less frequently made. By going only once in two years to many of these places, every needed purpose would be accomplished and I should thus find my duties materially lightened. If we can only provide a regular supply of services in all destitute parts of the Diocese, a little longer interval between the visits of the Bishop would prove no very serious discouragement. But we do need an increase of earnest, active missionaries, and for them let us not cease to pray.

And now, commending you all to the care and guidance of the Great Shepherd of the Sheep, let me invoke upon you His rich and abundant blessing.

THEODORE B. LYMAN,

Bishop of North Carolina.

This report is correct as far as I can learn from the register. I have had charge only since February 1st. I find it a promising field but sadly in need of a new church building. I also hold regular services at Morganton, which are well attended. I think a splendid opportunity is afforded there for doing a good work.

The Kimberly heirs have, during the past year, conveyed one acre of ground about the chapel to the Trustees of the Diocese. A comfortable parsonage of six rooms, each 16 x 16, has been built on it at a cost of about \$1,200. The material and work are all of the best. The sides are papered beneath the clapboards, and there is not a leak in the roof. Experienced persons consider the house worth between \$1,400 and \$1,500. Much credit is due Mr. P. M. Kimberly, who was in sole charge of and gave much time to the building operations.

The Sunday-school above reported is in the upper part of the mission. A second one is about to be organized at the chapel.

During the past year I have aided the Rev. W. S. Barrows by officiating frequently at Hot Springs and once at Waynesville. I have also on several occasions assisted the Rev. McNeely DuBose.

Every Thursday evening, 7:30 o'clock, many persons come to these services. As yet we have no chapels. Evening Prayers held in small rooms of homes of factory operatives. So much chapels are needed. Signs are encouraging. The Lord's poor. We pray for consecrated places in which to worship with this people.

Owing to my long illness last year I could only exercise a nominal oversight of this work. Most of the service was performed by Rev. Mr. Rhodes. The above report covers only seven months, as I took charge of the Parish September 1st. The amount included under the head of Parish expenses is for repairs on the church and rectory. It was mainly raised

outside of the Parish, and by sale of a lot of land belonging to the Parish. The rectory has been much enlarged, and all newly painted, making it a comfortable, commodious and beautiful house. The above list of Communicants does not include the students of the University. An average of about forty-five students regularly attend the services, and the daily Lenten services were remarkably well attended.

I feel quite proud to say that our work here, as a whole, is progressing nicely. Mr. J. W. King keeps the Sunday-school in a healthy condition, and in our Parish school, with the assistance of Miss Annie Jacobs and Mrs. P. A. King, the Church is doing a grand work here. The school stands high in the community, and it is patronized by all the different denominations around us. The stiff current of opposition and prejudice is being turned, and we are steadily going forward doing the great work of the Church. Last year we had the largest Church school in the Diocese, and the only reason our number is not as large this year, is that we are not able to do justice to so many with the small force which we have. We very much need the industrial feature connected with our work, and we hope, ere long, we shall have it. My work at Lincoln is doing well, and I feel much encouraged over it. There is much interest manifested in every part of the work.

In the meantime, rent has been paid for the use of the old church, which was sold about twelve months ago.

The parish school, opened in October last, gives promise of being a decidedly useful parochial institution.

The communion alms were used for above canonical offerings as specified. A beautiful cross for the altar has lately been presented by Mrs. Barbee, of Louisville, Ky., in loving memory of her son, who worshipped with us for a short time and was then called to Paradise.

In addition to above work I have also preached and delivered addresses in Grace Church, Waynesville; Trinity, Asheville; Church of Our Saviour, Jenkinstown, Pa., and in Holy Trinity, Philadelphia.

The group of stations comprising the Franklin Mission have with slight exceptions gained some ground during the past year. St. John's has lost heavily by removals, but seems to have gained in loyalty to the cause. St. Agnes, after varying fortunes, loss by dissension, death and removal, is to-day stronger than ever. The Good Shepherd, under the able ministry of Rev. Mr. Rhodes, Deacon assisting, is nobly fulfilling the mission given us. St. Cyprian's, with its enlarged appliances, is doing a good work.

Owing to impaired health I have during the past year only been able to exercise a general supervision of the work excepting at St. Agnes and St. Cyprian's. Since obtaining an assistant in November last we have given a number of services at Cullowhee, Dillsboro and Bryson City; but, owing to the distance and difficult road, this service is at the expense and to the detriment of the work in and near Franklin.

In addition to my other reports I have started several missions. At Biltmore I have held services, and will soon (D.V.) begin to build a church. The lot will be donated, and a considerable sum of money has been pledged towards the church building. We will start here with a *small number* of good workers. At Blackwell's Springs I have held frequent services, and I think we will succeed there. There is also a good prospect for the Church on Mills River. We need more laborers.

The three Missions worked by this Parish, and a part of it, contain in addition some fifty-odd members, and have had services regularly one Sunday P. M. in the month apiece. In each of these, moreover, for a large part of the year a Sunday-school has been maintained, making four in all. It is due to the noble and faithful efforts of ladies from Calvary. We have several other points in this extensive field where services should be held regularly; and much good could be done, under God, in summer at least, by an assisting minister or student. They would open up new Missions or Sunday-schools, but especially supplement the efforts mentioned above.

St. Jude's Chapel, with two coats-of paint on it, and with seats all in, has cost \$330.23. It is still to be ceiled, and an altar, rails, and two chairs for chancel, are needed. It seats comfortably 75. I had but five services in it when I broke down in health and had to leave home for rest. During my absence, Rev. Dr. Marshall, assisted by other brethren, kindly did what they could to relieve my anxiety about my work, giving services at the Parish Church and the two Chapels. The lay readers also did good work. But my five months' absence did not restore my strength, and I have felt it my duty to retire from active parochial work. My resignation takes effect on Easter Monday. I leave a happy home and a kind people.

P. S.—April 18, 1892.—Since March 31st to date, when my resignation

takes effect, I have taken part in thirteen services and administered the Holy Communion three times publicly. Having had the charge or care of several other Missions, I have, during the year past, been able to be at Hot Springs only about once a month. I have officiated at Trinity Church, Asheville, assisting or taking services for the Rev. McNeely DuBose about twenty-five times. I have officiated also for him once at Biltmore, and for the Rev. Wm. F. Rice twice at Beaver Dam, administering the Holy Communion on one occasion, and on another baptizing two adults. I accompanied Bishop Lyman on his visitations in Buncombe, Haywood and Jackson Counties, assisting him at numerous services. About the middle of September I went North with Messrs. G. V. Gilreath and N. A. Seagle, candidates for Priest's Orders from this Diocese, who had, since the first of the year, been reading with me in preparation for the General Theological Seminary, and at the same time acting on Sundays as lay readers at Hendersonville and Waynesville. Both passed the literary examination before leaving, and all the entrance examinations at the Seminary without any conditions. While at the North I preached on the subject of Domestic Missions, and particularly for the purpose of securing funds for a parsonage at Beaver

Dam, in my old Parish, Zion Church, Little Neck, Long Island, where I also baptized two infants; St. George's Church, Flushing; the Chapel of St. Paul's School, Garden City; Christ Church, Short Hills, N. J.; St. Luke's Church, Montclair; St. Stephen's, Milburn, and Christ Church, Bloomfield. I also addressed the ladies at the Woman's Auxiliary of the Diocese of Newark. I have also administered the Holy Communion outside of my cures, once in Gethsemane Church, Bowman's Bluff, and once privately at Hendersonville, which has since September been in charge of the Rev. S. B. Rathbun, of Flat Rock.

IREDELL COUNTY, ST. JAMES' CHURCH.

THE REV. F. J. MURDOCH, D.D., *Minister in Charge.*

Though nominally under my charge, I have been able to visit this church only once during this year. It has enjoyed occasional ministrations of the Rev. W. R. Wetmore, Rev. E. P. Green, and other ministers. Any baptisms in this Parish will be reported by the minister officiating. Its number of Sunday-school scholars and communicants may be reported the same as last year,

Communicants 62; value of church \$500; Sunday-school scholars 96.

During the year I have instructed two candidates for the ministry, Mr. S. S. Bost and Mr. R. B. Owens, both of whom will be ordained, I hope, to the Diaconate this year. One of these candidates has maintained himself without help from the Church during the past year. We are indebted to the Evangelical Education Society, and a lady in another Diocese, in the main, for the support of the other.

This church has been without the services of a clergyman for nearly a year past, except for two or three months while the Rev. Edwin H. Green was in charge. Our Rectory Fund of \$650 is in the hands of the treasurer, and will be applied to the purpose for which it was subscribed when it is large enough to justify the Building Committee in beginning operations. A handsome memorial window has been put in the church in memory of Gen. P. B. Hawkins and his son. It is ornate, and adds much to the appearance of the church.

At these Mission places early Communion is as yet impracticable, and also Communion at each noon-day service; for the large congregations are not communicants, and tire with the length of the services, for they come for the sermon only. This I try to use to the greatest advantage till they can be better instructed in Church teachings.

Partial failure of crops and the low price of cotton have sadly crippled the people financially, but a hopeful spirit prevails and the Mission continues to grow in spite of many discouragements. The Rev. Dr. Cheshire, to whose efficient labor in this field the success of the Mission is largely due, continues to hold services monthly, much to the gratification of the people and the strengthening of the work. We are also visited occasionally by our former beloved pastor, the Rev. E. A. Osborne, whose presence ever rejoices the hearts of our people, by every one of whom he is held in most affectionate regard. The Mission is greatly in need of a school; large numbers of children in the district are growing up insufficiently instructed in the principles of the Church and the subjects of an ordinary English education. A Church school here would be supported by the people to the full extent of their ability, would be largely attended, and would doubtless prove an untold blessing.

This Chapel was consecrated by Bishop Lyman on the 20th of last August. It is sealed throughout in oak. The furniture and trimmings are of cherry. A Parish school-room to match opens into it by sliding doors. Its erection is due to the indefatigable efforts of Dr. Buel, and its completion to generous offerings received through Bishop Lyman in response to his appeal two years ago. Among the gifts to St. Mary's, should be specially mentioned the land from Mr. Eldridge Medford; the lumber from Bishop Lyman; \$100 from St. Mary's School, Raleigh; the windows, font and altar cloth from Rev. Dr. Chas. H. Hall, of Brooklyn; the altar from the Rev. Chas. A. Jessup, of Garden City; valuable drawings for the same from Wills Bros., Architects of Asheville; curtains from Mrs. Chas. Goodyear; furniture coverings from the Woman's Auxiliary of Waynesville; altar cross from Rev. John C. Lord, of New Jersey; alms basins from the Boys' Missionary Guild of Waynesville; altar linen from Mrs. Chas. Hewlett and The Faithful Endeavor Society of Asheville; and Bible and Prayer Books from the New York Bible and Prayer Book Society. Out of the fund raised by the guests at the Sulphur Springs Hotel, \$37.34 was used for completing the interior furnishings of the Chapel, and the remainder, \$18.26, is still in hand.

I entered on the charge of this Mission May 1st, 1891. No sums appear under the head of Communion Alms, owing to the offerings at Holy Communion being always devoted to specific purposes. Salary of clergyman above does not include the salary of my predecessor for the month of April. About \$900 has lately been subscribed towards a proposed parsonage, and the contract for the erection of the same will be let in a few days. The prospects for the Church in this town are very encouraging. I spent two weeks in June and the whole of September in the Watauga Missions, holding services at Blowing Rock, Linville, and Boone. Over \$700 has been collected for a church at Blowing Rock, and the work of building will be proceeded with during the coming summer under the direction of Dr. Buxton, and a building committee appointed by the summer congregation at that place. I also spent one Sunday in October at Hickory, holding service twice in the Church of the Ascension. I also preached once at "Swamp Level," in Mecklenburg County. At the Bishop's request, I assumed charge last month of the Missions in Richmond County, and propose to hold service monthly at Rockingham, Laurel Hill and Laurinburg. The Rev. Mr. Quinn, of Wadesboro, has kindly offered to assist me in this work, and I am not without hope that the coming year will witness some growth for the Church at one point at least.

Mr. S. A. B. Trott has been in charge of this Mission during the past year as Lay Reader and Catechist, and has taught a day school with great success. He has been very faithful and judicious under very trying circumstances, and has nobly maintained his ground and witnessed for the truth against bitter hostility. The Mission has steadily increased in numbers, and the day school has been a power in the community for good. I regret to say that no confirmation has been held in this mission yet. The services that I have held are included with the lay services.

This congregation needs much better attention than any Rector at Hillsboro can give it. Three of the communicants are at Flat River, twelve miles away. Two others are seven miles away. This distance is from the Chapel. Add six, and you have the distance from Hillsboro. Twelve communicants have been admitted to their first communion since October, 1888. Twelve children have been baptized in the same time. The last payment on amount expended on new roof was made in 1890, the whole amount being \$66.32. There is now on hand, for further repairs greatly needed, \$3.69. The people are very poor, and therefore can do little for support of the Church. They have had services on an average not once a month for sixty-eight years. Is it remarkable that the congregation has not grown, and that the people have not been well instructed in the ways of the Church? I leave them with great regret.

Since the resignation of Rev. Elliot White, Easter, 1891, the Parish has been without a Rector. Divine services are conducted every Sunday morning by lay readers, and an encouraging attendance manifests the steadfastness of the members. No efforts have been spared by the Vestry to secure a minister.

The Sunday-schools at the Church and at the Chapel at Rocky Mount Cotton Mills operate successfully. The Church Aid Society is working zealously to procure funds to build a Rectory.

Valuable services have been rendered in this field by the two lay readers whose names have been put at the head of this report. A considerable amount of money has been subscribed lately to erect a chapel at Woodleaf, to be known as St. George's Chapel, and to be a memorial to the late Dr. Wetmore. It is hoped that arrangements will soon be made to have a minister reside at the Rectory belonging to St. Andrew's and Christ Churches.

CHURCH CONFERENCE OF ROWAN AND ADJOINING COUNTIES.

This Conference is composed of the ministers, lay-readers and lay-delegates of the churches of Rowan and Cabarrus Counties, and of St. James' Church, Iredell County. It meets quarterly and discusses all questions pertaining to the growth of the Church and deepening of spiritual life. The meetings are held first at one church and then at

another, and are usually attended by large congregations. The nineteenth quarterly meeting was held on Easter Monday in St. Luke's Church. At this meeting each delegate in turn gave his reason for being a Churchman. Questions were asked and answered on the Epistle to Titus, which had been assigned for study three months before. The question "How to promote the spread and welfare of the Brotherhood of St. Andrew?" was also discussed. These meetings have been productive of great good.

I took charge of this Parish on the 12th of October last. Since that time I have preached there regularly twice a month. All the income derived from the work itself has been from the offertory, which to March 31st amounts to \$29.25. I found this work in a deplorably run-down

condition. I have been striving to arouse a spirit of zeal; but it will take some time, I fear, ere any real awakening can be produced. The few members we have are willing to do what they can, but their ability is not equal to their willingness.

The Trustees are to reserve a lot each for the chapel, a rectory and a school-house, and hold the funds arising from the sale of the remainder as an endowment for St. John's Chapel. SALISBURY, CHURCH SCHOOL FOR BOYS.

A Board of Trustees, appointed by the Convocation of Charlotte, consisting of Rev. R. Wetmore, Rev. F. J. Murdoch, D.D., and Rev. J. B. Cheshire, Jr., D.D., has control of the Church School for Boys. During the past 18 months, about \$2,500 has been paid on this property, and there is a debt on it of \$3,000. The property is worth about \$6,000. A school for boys, with an average attendance of nearly 30, has been kept up there since Sept. 1st, 1891, by Mr. J. M. Hill. It is hoped that next fall a boarding department can be opened, and that the original idea of an inexpensive school for boys can be carried out. Liberal subscriptions towards paying for this property have been paid by two persons in Charlotte, one in Ansonville, one in Winston and one in Morganton. Nothing else has been paid by any other than residents of Salisbury. The notices of this school, which have appeared in Church papers, have elicited quite a number of inquiries from a distance as to whether salaries could be given to relatives who wanted to teach, or whether education could be given to others at less than cost. If the number and interest of those who want to help the school was equal to that of those who want to be helped by it, it would be very prosperous.

This beautiful little church, which is virtually a gift from the Diocese of South Carolina to that of North Carolina, was consecrated by Bishop Lyman on Tuesday the 1st of last September. The materials were provided by the summer residents, and the work was mainly done by the Rev. John D. McCullough and his son. The altar and chancel furniture was all made by Dean McCullough with his own hands. It is a model

for its purposes, and all who wish to build a church at once effective and inexpensive would do well to come and look at this one before beginning.

This is a very nice little town, and is steadily growing in size and importance, and it is a great pity we should not have our Church well established here. But our church building at this place leaks badly, and the whole house sadly needs repairs. But thus far I have found it impossible to do more than just keep up the services, and hope and pray for better things further on. All the income I have from this work itself, as at Rutherfordton, has been from the offertory, and amounts to \$20.82 for the six months I have had charge of the work.

REPORT OF THE REV. J. W. BARKER, DEACON.

I came to Franklin about the first of November to assist the Rev. John A. Deal in the missionary work under his care. Since that time I have rendered the following services:

At Franklin, I have conducted seven services, preached seven times, and assisted in other services.

I have conducted four services with sermons at St. John's, Nonah, eight miles from Franklin, and have held one service at St. Cyprian's Mission.

At St. David's, in Cullowhee, twenty miles from Franklin, I have conducted eight services, with sermons.

At Dillsboro, a point on the railroad, twenty miles from Franklin, I have held services and preached three times.

I have made three trips to Bryson City, an important railroad town. This place is forty miles from Franklin.

I have conducted twenty-six full services and assisted in eight or ten others. To hold these few services I have had to travel over rough roads 750 miles.

The services at all of these points are pretty well attended, and some interest is manifested. Especially does this seem to be the case at Bryson City, where we have a few families and a friendly disposition of the community. This town consists of 700 people, and has a hopeful future. Its citizens have kindly proposed to give us a lot on which to build a church. This and several other important points on the railroad should have the special and constant care of a clergyman, which we are not able to exercise on account of the great distance.

I have baptized one infant.

REPORT OF THE REV. J. T. KENNEDY, DEACON.

During the past year I have, under the direction of Rev. J. A. Deal, Priest in charge, performed the duties assigned me at St. Cyprian's Church, Franklin; conducted public service, preached, superintended the Sunday and Parochial Schools, taught in each, and instructed the young men and boys in mechanical work; have baptized two children and buried one.

REPORT OF THE REV. SAMUEL RHODES, DEACON.

For the past year, under the direction of Rev. J. A. Deal, Priest in charge, I carried on the work at Cashier's Valley as Lay Reader, until October 18th, at which time I was ordained to the Diaconate, and since that time as Deacon assisting. In addition to my clerical duties I also carry on the Parochial School work. Outside of my regular field of labor I have assisted in the services and preached at Asheville and Franklin. My official acts are contained in the report of the Missionary in charge.

REPORT OF THE DEAN OF THE CONVOCATION OF ASHEVILLE.

During the past year the Convocation has met twice. At Waynesville in August and at Asheville in November. At this latter meeting arrangements were perfected for publishing a Convocation paper, "The Dawn of Day," which has since started out on its mission of usefulness with gratifying results.

I have visited several points in the South-western portion of the Convocation for the purpose of selecting points for new Missions. I think Bryson City and Murphy very desirable points; both are to be towns of

considerable importance. At Murphy we have a small lot just opposite the Court-House; at Bryson City and Dillsboro we have secured lots (conditionally) and have obtained subscriptions in money and material towards building a church at each place.

I would advise that a missionary be placed at Sylva, on W. N. C. R. R., from which point five Stations can be reached regularly and with less cost than from any other point. It is important that this matter receive immediate attention, as every month of delay robs us of opportunities and increases the difficulties.

Respectfully submitted,

J. A. DEAL,

Dean of the Convocation of Asheville.

REPORT OF THE DEAN OF THE CONVOCATION OF CHARLOTTE.

The Convocation of Charlotte has held one meeting during the year, which was in Charlotte in February last. We are still trying to establish an inexpensive school for boys, but so far have been unable to carry out our purpose. The property in Salisbury, bought for this object, is still in our possession, but we lack funds to complete the payment for the same and equip the school.

As Dean, I visited in April, 1891, and again in October of the same year, large portions of the Convocation field. During these visitations I preached 33 times, administered the Holy Communion 20 times, and baptized 14 infants. Of these baptisms five were in one of my brother's old Parishes, which at present is without regular ministerial services.

W. R. WETMORE,

Dean of the Convocation of Charlotte.

REPORT OF THE DEAN OF THE CONVOCATION OF TARBORO.

The Dean of the Convocation of Tarboro reports that since the last meeting of the Convention he has visited and held service in every Parish and Mission in the six counties which are included in this District. Four regular meetings of the Convocation have been held with a very general attendance on the part of the Clergy, and with a fair representation by the laity.

One of the special needs, in my judgment, is a Missionary or Evangelist who could supply vacant Parishes or Missions, visit new places where there may be a few Churchmen, seek out isolated Church families or individuals (and there are many such) giving them the Church's service, baptizing children and celebrating the Holy Communion of the Body and Blood of Christ.

In our Parishes and Missions, for the most part, the work of the Church is being carried on with earnestness and consecration. The Station of Rocky Mount and Battleboro, which has been vacant since the resignation, a year or more ago, of our dear brother the Rev. Elliot White, whose praise is in all this District, has extended a call to the Rev. R. H. G. Osborne, M. D., of Hume, Va., who, having signified his acceptance, will, D. V., take charge in September.

Enfield and Ringwood, in my opinion, ought to be united and put in charge of a Priest, so that the most excellent work established and carried on for so many years by the Reverend Dr. Smith, may still go on for the glory of God, the credit of the Church, and the winning of men for Christ.

In some parts of the Convocation, I feel confident greater efficiency would be secured if there was a careful and judicious readjustment of the work. The imperative need here, as elsewhere, is men of consecrated lives and the means to support them.

In the death of the Rev. Aristides S. Smith, D. D., the Convocation, in common with the Church in the Diocese, has met with a severe loss. He was, for some years, the Dean of the Convocation, and always, even up to the time of his death, actively interested in its work.

"Lord, all-pitying, Jesu Blest,
Grant him Thine eternal rest."

GEORGE HEBBARD,
Dean of the Convocation of Tarboro.

REPORT OF THE ARCHDEACON IN CHARGE OF COLORED WORK IN THE DIOCESE.

To the Rt. Rev. T. B. Lyman, D. D., Bishop of North Carolina.

Since last Convention I have made a visitation of all the colored work in the Diocese with the exception of one or two Sunday-schools, and find that the work in hand has been prospered and some progress has been made.

At present there are five colored clergymen in this Diocese, three Priests and two Deacons, and four white Priests wholly engaged in this work. Besides these, the General Missionary for the South, the Rev. W. H. Wilson, has been assigned to North Carolina for six months from January 1, and has been at work since that time in Durham. The Rev. H. S. McDuffey, Priest, has been transferred to the Diocese of South Carolina, and the Rev. F. W. Dunn has been received from the Diocese of Georgia. Mr. Dunn is officiating in Asheville and Morganton. In the departure of Mr. McDuffey from his charge in Asheville the Diocese has lost a faithful and efficient Priest. The Rev. P. P. Alston and the Rev. H. B. Delany have been ordained to the Priesthood, the former

on January 26 in St. Michael's Chapel, Charlotte, and the latter on May 2 in St. Augustine's Church, Raleigh.

There are eleven churches and chapels, eight school-houses and three parsonages. Of these, St. Stephen's Church has been built in Morganton, and is a very neat and attractive building. The colored people in Warrenton have bought a property valued at \$400, including a building which they have fitted up for a chapel and for Sunday-school purposes. A school-house has been built at Lenoir for the accommodation of the day school, taught by Miss Caison, who has long and faithfully labored in this work.

The Rev. H. B. Delany holds a service once a month in Louisburg, and is preparing a number of persons for confirmation. He finds the work to be of much promise. He has also been to Leaksville, where he has held services in the Parish church several times.

Mr. S. A. B. Trott has been doing a faithful work at Noise, in Moore county. It has grown very much during the past year in spite of much opposition. We need more accommodation for the school, and are looking for means enough to put an addition to the house, which would enable us to care for homeless children. Some money has been given for this purpose, but not enough to enable us to build.

The Parochial Schools have been doing good work during the year now drawing to a close. Those at Charlotte and Tarboro have been full to overflowing, and should have had more teachers to meet the growing demand, but the want of means has made it impossible to take advantage of our opportunities.

It appears to me that no such opportunity for missionary work has ever been given to the Church to do anywhere as is presented to the Church in the work amongst the colored people that is flung right at her doors. This work has never yet been touched by this Diocese, and there can be no great advance made, and no aggressive work undertaken, until it is recognized as a part of the missionary work of the Diocese. If each Parish could feel its responsibility to reach all the souls within its borders, an impetus would be given to this work which it never yet has had, and cannot have until the responsibility is recognized and acted on.

The outside aid is not sufficient to establish a separate work in every place if it was desirable. The Parish can do it with very little expense, and so prepare congregations that can be separate and to some extent able to help themselves.

The following is a tabulated statement of all the work in the Diocese:

SIXTEENTH ANNUAL REPORT OF ST. PETER'S HOME AND HOSPITAL, CHARLOTTE.

During 1891, 62 inmates have been recorded for an aggregate of 1,695 days. If to these we add board of matron, nurses and servant, the Hospital has provided board and lodging for 2,535 days.

Total cash receipts in 1891	\$ 875 67
Balance from 1890	60 73
Total cash.....	\$ 936 40
Expense in 1891.....	921 99
Balance carried to 1892.....	\$ 14 41

The Board of Managers desires to call attention to the comparison of expense with the care and relief given to so many sufferers. The Hospital is again fortunate in closing the year without debt. There have been more inmates than in any preceding year, except 1888, and the number of days' board has exceeded even that year.

Two deaths occurred during 1891. There were 27 males, 25 females, 8 children, and 54 adults. Eleven of the patients belonged to the Episcopal Church.

Drs. C. A. Misenheimer and R. L. Gibbon were and are the attending physicians, but all the physicians of Charlotte have helped when needed, and have all shown great kindness to the Hospital.

Eight patients were carried over to 1892.

Mrs. Evans is the Matron, having taken charge in October last.

Respectfully submitted,

MRS. FOX, *President.*
 MRS. WILKES, *Sec. and Treas.*

 REPORT OF THE GOOD SAMARITAN HOSPITAL FOR COLORED PEOPLE FROM SEPT. 23D, 1891, TO MAY 10TH, 1892.

The Good Samaritan Hospital for Negroes was formally opened for patients Sept. 23d, 1891, with a solemn service of dedication.

Up to May 10th, 1892, it has cared for 13 patients for a total number of 479 days. Including 6 nurses for 150 days, the inmates have numbered 19, and the number of days' board has been 629.

There have been three deaths. Two interments were made in the lot given for Hospital use in Pinewood Cemetery by the city. The third body was removed by the Railroad Company to the man's home.

The physicians are much pleased with the Hospital.

The building was erected with money supplied from Northern sources. There is a debt of \$400 on the house, and some small debts for current expenses. The expenses are about \$60 a month. Only a small part of this can be raised in Charlotte as yet, but it has been supplied by God's help, and the work is going on smoothly and well.

MANAGERS:—Mrs. Wilkes, Mrs. Lardner, Mrs. W. E. Holt, Mrs. Fox, Mrs. T. S. Clarkson, Mrs. Lockwood Jones, Mrs. C. N. F. Jeffery.

REPORT OF ST. AUGUSTINE'S SCHOOL, RALEIGH.

St. Augustine's School, Raleigh, though having its own Board of Trustees and not directly responsible to this Convention, is yet a Church school and under the care of the Bishop of the Diocese, and is aided by funds from the Commission for Work Among the Colored People. Three of the Clergy of the Church in this Diocese are on its staff of teachers, and next year it is expected that all its teachers will be communicants of the Church. At the last visitation of the Bishop to St. Augustine's Church, Raleigh, eleven of the students of the School were presented for confirmation. The number of students in attendance during the past year has been 167, and the Principal is pleased to report that the students have remained a larger number of months than usual, thus indicating a greater desire for the advantages offered.

A considerable amount of industrial work in the care of the farm and household has always been done in the School, but a very great need is felt for instruction in cooking and in some of the mechanical trades. It is greatly to be hoped that the Church in this Diocese will see the importance of forwarding this work for the training of young colored men and women, and not allow it to depend entirely upon aid received from without the Diocese.

A. B. HUNTER, *Principal.*

Deeds Conveying to the Trustees of the Diocese the Property of the Thompson Orphanage and Training Institution.

I. DEED FROM THE REV. B. S. BRONSON AND WIFE.

This Deed, made the 1st day of January, 1886, by and between B. S. Bronson and Alice Bronson, his wife, parties of the first part, and the Right Reverend Theodore B. Lyman, Bishop of the Diocese of North Carolina, and W. E. Anderson and R. H. Battle (the last named three being Trustees of the Diocese of North Carolina), parties of the second part, witnesseth that the said parties of the first part, for, and in consideration of, the sum of \$1.00, to them in hand paid by the said parties of the second part, the receipt whereof is hereby acknowledged, and for the further purpose and consideration of the due execution, by the parties of the second part, of the trusts hereinafter mentioned and declared, have bargained, sold and conveyed, and do hereby bargain, sell and convey, unto the said parties of the second part, a certain tract or parcel of land in the county of Mecklenburg and State aforesaid, near the city of Charlotte, and bounded as follows: Beginning at Bronson's corner adjoining the land owned by St. Peter's Church, running thence S. 12 W. 80 ps. to a stone on the edge of a drain. Then S. 78 W. 79 ps. to a box elder on the east bank of Sugar Creek; thence up the various windings and courses of said creek to a stone at the mouth of a ditch, Bronson's corner; thence with his line S. 85 E. 40 ps. to the beginning, containing 21 acres, more or less, it being the land heretofore conveyed by a deed constituting the said B. S. Bronson's title, registered in the Register's office of Mecklenburg County in Book 6, page 54, to which reference is made for a fuller description thereof.

Also one other tract in said State and county and near said city, beginning at a maple on the west side of Sugar Creek, thence N. $43\frac{3}{4}$ 110 ps. to a hickory on the old town line; thence with said line S. $40\frac{1}{2}$ W. 62 ps. to a white oak, corner of the town land, Leroy Springs' old line; thence with three of his old lines, viz: 1st, S. $39\frac{1}{2}$ E. 62 ps. to a post oak; 2nd, S. $8\frac{1}{2}$ W. 35 ps. crossing a branch to a stone; 3d, S. 42 W. 154 ps. to a white oak on the west side of a branch; thence with two of Alex. Springs' lines, viz: 1st, S. 60 E. 65 poles crossing the branch to a dogwood; 2nd, S. $75\frac{1}{2}$ E. 122 poles crossing the branch to a stone on the west side of the creek; thence with the various courses of the creek to the beginning, containing one hundred and eighty (180) acres and two roods, more or less.

To have and to hold the same, to the said parties of the second part and their successors in office as Trustees of said Diocese, with all buildings and improvements thereon, in fee-simple, saving and excepting from this grant, however, one hundred and twenty (120) acres of the lands above described heretofore sold by the Clerk and Master in Equity of Mecklenburg County, by deed bearing date July 17th, 1869, and also saving and excepting from this grant the tract containing twenty acres, more or less, heretofore conveyed by the said B. S. Bronson to Col. W. R. Myres, as by reference to said deed of conveyance will more fully appear.

But the foregoing conveyance is made in special trust and confidence, and upon the express condition that the said parties of the second part, and their successors, shall hold, use and employ the property so conveyed, its rents, profits, increase and improvements, in the manner and for the uses and purposes hereinafter specified (and none others) to-wit:

The property hereby conveyed, its profits and increase, shall be used and employed for the purpose of establishing an Orphanage and Training Institution on the site thereof, to be known as "The Thompson Orphanage and Training Institution," with the view of affording gratuitous instruction (so far as gratuity may be necessary) to orphan children and such other children as the Board of Managers hereinafter provided for may elect to receive into said Institution, in such branches of mental (that is, ordinary scholastic) education, and education tending to proficiency in the industrial arts and occupations as said Board of Managers shall select and designate. Said Board of Managers shall be seven in number, and shall consist of the Bishop of the Diocese, three clergymen and three laymen, the Bishop to be *ex officio* chairman of said Board.

As soon as practicable after their appointment, said Managers shall be divided into three classes. The places of managers of the first class shall be vacated at the end of the second year, of the second class at the end of the fourth year, and of the third class at the end of the sixth year, so that one-third may be chosen every second year; and if vacancies should occur by resignation or otherwise when the Convention of the Church is not in session, the majority of said Board of Managers may make temporary appointments until the next meeting of said Convention, which shall then fill such vacancies; the Bishop of the Diocese to be, however, perpetually an *ex officio* member and chairman of said Board.

And it is hereby made an express and imperative condition of this grant that if the said Convention of the Diocese should not on or before the first day of January, 1892, put in actual operation the scheme for an Orphanage and Training School designed by the party of the first part, then, and in that event, all the property, rights and interests hereinbefore conveyed to said parties of the second

part shall revert to and re-vest in the said B. S. Bronson, his heirs and assigns, if the said B. S. Bronson should be then alive, but if after the death of the said B. S. Bronson, the contingency last above provided for should occur, or said trust should, from any cause, fail to be executed or be found impracticable, then all the property hereinbefore conveyed by him is hereby vested in, bargained, sold and conveyed to the Trustees of said Diocese and their successors in office in trust, to be by them applied to such other charitable object as the best judgment and discretion of said Trustees shall dictate.

If the Convention of the Diocese, through their Managers aforesaid, should improve the property herein conveyed, and afterwards the design in these presents contemplated of establishing and maintaining such Orphanage should prove impracticable, or if a sale of a part of the premises hereby conveyed should hereafter be deemed necessary to improve the residue of said property, and render it more adaptable to the purposes of this conveyance, then, by the consent of a majority of said Managers and all of the Diocesan Trustees, said sale may be made, and the proceeds thereof received by said Board of Managers, and by them applied to the reimbursement of such past expenses or for future improvements and changes, as the case may be. In case that a sale of the whole property herein conveyed should become necessary, the proceeds of said sale over and above what may be necessary to effectuate the trusts and purposes above declared shall be applied to some other charity to be designated by the said Board of Trustees, said fund, whatever form it may assume, however, to be always known as "The Thompson Charity Fund."

In the event of a sale of the whole property herein conveyed the residue of the proceeds, after paying for the improvements necessitating such sale, shall be equally

divided between the Dioceses of North Carolina and East Carolina, to be held and applied by them respectively as near as can be, in accordance with the designs of the said B. S. Bronson, as above declared, the Trustees of the respective Diocese to exercise their discretion, however, as to such application, said fund always to retain the name of "The Thompson Charity Fund." And whereas the said B. S. Bronson has incurred a personal debt of about five hundred dollars for the benefit and advantage of said property, for which debt said property is justly and in good conscience liable, this conveyance is made subject to the condition that the Convention of this Diocese exonerate and save harmless the said Bronson from his personal liability; and until the settlement of said debt it shall remain and be a first charge and lien on the property hereinbefore conveyed; and the acceptance of this conveyance by the Convention shall be deemed and held an assumption of said debt.

The actual management of the property herein conveyed shall and may be exercised by said Board of Managers on and after the first day of January, 1887, and not before, but the property aforesaid shall, until the actual use thereof as an Orphanage, be used, and the rents and profits thereof (save what may be necessary to pay the interest on the debt of the said B. S. Bronson) devoted to missionary work in the Diocese* of Charlotte, N. C.

THIS INDENTURE, made this first day of January, in the year of our Lord one thousand eight hundred and eighty-seven, by and between John Wilkes, Hamilton C. Jones, Platt D. Walker, Frank H. Glover, Heriot Clarkson, Lucian H. Walker, J. Frank Wilkes, Joseph G. Shannonhouse and Joseph H. Emery, Wardens and Vestrymen of St. Peter's Church, in the City of Charlotte, in Mecklenburg County and State of North Carolina, of the first part, Grantors, and the Right Reverend Theodore B. Lyman, Richard H. Battle and William E. Anderson, of the City of Raleigh in said State, Trustees of the Diocese of North Carolina, of the second part, Grantees :

WHEREAS, The said Wardens and Vestrymen are the legal owners of a certain parcel of land hereinafter described :

AND WHEREAS, The said Wardens and Vestrymen are indebted to the said Trustees of the Diocese of North Carolina in the sum of one thousand dollars, with arrears of interest, for which the said Trustees hold the note of John Wilkes and other Vestrymen as aforesaid, and the predecessors in office of said parties hereto of the first part, which note is part of the "Permanent Episcopal Fund" of the said Diocese of North Carolina :

AND WHEREAS, The said sum of one thousand dollars was in fact borrowed by the Reverend Benjamin S. Bronson, and was by him expended in improving the property above mentioned, and the said Wardens and Vestry did heretofore agree with the said Benjamin S. Bronson that upon the payment or satisfaction of said note, the said Wardens and Vestry would hold said parcel of land and

premises for such uses as by the said Bronson should be declared :

AND WHEREAS, The said Bronson has proposed to the Convention of the said Diocese of North Carolina to convey, or to cause to be conveyed, to the Trustees of said Diocese the said parcel of land, together with other lands adjoining thereto, for certain charitable and religious purposes hereinafter set forth ; and has, in pursuance of said proposition, actually executed a deed to said Trustees for the said adjoining lands :

AND WHEREAS, The Convention of said Diocese of North Carolina, at its session in May, 1886, Anno Domini, did accept the proposition of the said Bronson, and did also pass a resolution that the said Wardens and Vestry should be discharged from all liability on account of the said note, and from any and all claims or demands for the said thousand dollars, upon their execution of a deed to said Trustees for the said parcel of land, which deed should contain a declaration of trusts similar to the deed executed, or to be executed, by the said Bronson for the lands adjoining the parcel of ground hereinafter described :

Now Therefore This Indenture Witnesseth: That for and in consideration of the premises, and for the special consideration of the release by said Convention of said debt of one thousand dollars, and interest thereon, and the surrender by the said Trustees of the said note for that sum of money, the said parties hereto of the first part, Wardens and Vestry of St. Peter's Church, Charlotte, for themselves and their successors in office, have given, granted, bargained and sold, released and confirmed, and by these presents do give, grant, bargain and sell, release and confirm, unto the said Theodore B. Lyman, Richard H. Battle and William E. Anderson, Trustees of the Diocese of North Carolina, and to their successors in office, Trustees of said

Diocese, the following parcel of ground and premises, to-wit :

Beginning at a stake in the great road on the bank of Little Sugar Creek, and running with the meanderings of said creek about twenty-one poles to a large stone at the mouth of a ditch, B. Morrow's corner; thence with the ditch S. 85° E. 40 poles to a cedar; thence N. $20\frac{1}{2}^{\circ}$ E. 64 poles to a stake in the Providence road; thence with said road N. 81° W. 23 poles; thence N. 3° W. 14 poles to the beginning: Being 21 acres, 1 rood and 15 poles, and being the same parcel of ground and premises conveyed by Benjamin Morrow to John Wilkes and others, Wardens and Vestrymen of St. Peter's Church, Charlotte, by a deed duly recorded among the land records of Mecklenburg County, in Book 5, folio 233.

TO HAVE AND TO HOLD the said parcel of ground and premises to the said parties hereto of the second part, and to their successors, Trustees of the said Diocese of North Carolina, in fee-simple:

But this Conveyance is made in special trust and confidence, and upon the express condition, that the said parties hereto of the second part, and their successors in office, shall hold, use and employ the property hereby conveyed, its rents, profits, increase and improvements in the manner and for the uses and purposes hereinafter specified, and for none others, to-wit:

The property hereby conveyed, its profits and increase, shall be used and employed for the establishment and maintenance of an orphanage and training institution on the said property and premises, to be known as "The Thompson Orphanage and Training Institution," with the purpose of affording gratuitous support and instruction (so far as gratuity may be necessary) to orphan children, and such other children as the Board of Managers hereinafter provided for may elect to receive into the institution; the

instruction to be in such branches of mental (that is to say, ordinary scholastic) education, and education tending to proficiency in the industrial occupations and arts, as said Board of Managers shall designate.

AND WHEREAS, The method of the appointment of said Board of Managers by the Convention of the said Diocese of North Carolina is fully set forth in a deed from the said Benjamin S. Bronson and Alice L. Bronson, his wife, to the said Trustees, parties hereto of the second part, dated January 1st, 1886, and to be recorded immediately prior hereto:

AND WHEREAS, Said deed also provides for the disposition of the property conveyed therein, upon several contingencies therein specified: Now therefore the parties hereto of the first part do hereby make all parts of said deed from B. S. Bronson and wife, beginning with the provisions for the appointment of said Board of Managers, and so on to the end thereof, a part of this deed, as if the whole of said deed, after the part designated, were herein word by word set down; with the following necessary qualifications:

1. The said sum of one thousand dollars belonging to the "Permanent Episcopal Fund" of said Diocese shall constitute a first lien upon the property herein conveyed; but the said parties hereto of the second part, Trustees of said Diocese, shall take no steps to enforce the collection of said debt, or of any part thereof, except such as shall be expressly ordered by the Convention of the said Diocese.

2. In case after the acceptance of the trust hereby created, it shall, in the judgment of the Convention of said Diocese of North Carolina, become impossible, or impracticable, to execute the said trust in accordance with the meaning and intent of this conveyance, then, and in that case, upon a formal declaration by said Convention of such impossibility, or impracticability, the property and premises hereby con-

veyed shall vest in said Trustees of said Diocese, and in their successors in office, in trust for such other charitable, educational or religious uses as the said Convention of the Diocese of North Carolina shall designate.

3. Until the actual use and occupation of said property and premises for the purposes of said Orphanage and Training Institution, the rents and profits thereof, after paying the interest on said one thousand dollars, shall be devoted to the maintenance of the missionary work of said Diocese in the vicinity of the said city of Charlotte.
